Report on Business

On May 29, 2020, the Issuer announced that, further to its new release dated April 24, 2020, the Issuer intends to file its annual financial statements and related management's discussion and analysis for the year ended December 31, 2019 on or before June 13, 2020 in accordance with Ontario Instrument 51-502 *Temporary Exemption from Certain Corporate*

Finance Requirements of the Ontario Securities Commission (and similar exemptions provided by the securities commissions of British Columbia and Alberta), (collectively, the “Blanket Exemption Order”). The Issuer initially announced on April 24, 2020 that in accordance with the Blanket Exemption Order, which was adopted for the purpose of providing certain filing and other relief to issuers in light of the challenges posed by the COVID-19 pandemic, that the Issuer would delay the filing and delivery of certain of its continuous disclosure documents due to delays caused by the COVID-19 pandemic.

The Issuer also announced on May 29, 2020 that it intends to file its interim financial statements and related management’s discussion and analysis for the period ended March 31, 2020 on or before July 13, 2020 in accordance with the Blanket Exemption Order due to delays caused by the COVID-19 pandemic.

The COVID-19 pandemic has forced Bhang to reassess some of its business plans and priorities given the uncertain economic future. For example, Bhang’s launch into new states has been delayed and in some cases may be put on hold for the moment. Bhang’s licensee sales and ability to produce chocolate in California has been reduced due to social distancing policies and/or delivery only rules in certain municipalities in California. Producing chocolate within social distancing rules has limited the number of people who can be in a factory at any one time. Although Bhang itself does not produce cannabis products, these cover-related factors have had an impact on the Company’s actual operations. Working with Bhang’s licensees during COVID-19 quarantine has required an extra amount of coordination and paperwork and logistics management between its licensees and internal Bhang departments.
