Report on Business

1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.

The Company has a backlog of over 500 towers in Argentina, Colombia, and Mexico. On an operational basis it is focused on site acquisition, signing locations, design/engineering, and permitting. This is in addition to having towers under construction.

In particular it has begun the construction of 16 towers in Mexico. The company is completing additional site acquisitions and expects additional sites to commence in November in Mexico.

2. Provide a general overview and discussion of the activities of management.

Senior management and the Board remain focused on securing additional capital to meet the backlog of search rings that the Mobile Network Operators ("MNO") provided Tower One.

As such it has filed a preliminary short form prospectus with the securities regulatory authorities in each of the provinces of Canada, except Québec, to qualify the distribution of Class A common shares (the "Common Shares") of the Company for aggregate gross proceeds of up to \$30 million (the "Offering"). The number of Common Shares to be sold and the price per Common Share have not yet been determined.

- Provide details of any loans to or by Related Persons.

Not applicable.

- Provide details of any changes in directors, officers or committee members.

Not applicable.

- Discuss any trends which are likely to impact the Issuer including trends in the Issuer's market(s) or political/regulatory trends.

The trends and risks which are likely to impact the Issuer are detailed in CSE Form 2A Listing Statement, dated January 17, 2017. In addition with the formation of the subsidiary in Argentina, the Company is exposed to political and economic risk in that country. Currently the trends are favourable as the Company is looking to entice foreign investment and the telecom market is less developed than other countries in South America.
