**Forward-Looking Information:** *This news release contains "forward-looking information" within the meaning of applicable securities laws including statements relating to the outlook of the business of the Company, the planned expenditures for upgrades and other renovations at the Company's facilities in Delta, BC. Although the Company believes considering the experience of its officers and directors, current conditions and expected future developments and other factors that have been considered appropriate, that the expectations reflected in this forward-looking information are reasonable, undue reliance should not be placed on them as the Company can give no assurance that they will prove to be correct. Actual results and developments may differ materially from those contemplated by these statements, depending on, among other things, the risks that the private placement financings may not close for any reason (including the failure to obtain the required approvals or clearances from regulatory authorities) or that the terms of the private placement financing may differ from those that currently are contemplated. The statements in this news release are made as of the date of this release. The Company is under no obligation, and expressly disclaims any intention or obligation, to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as expressly required by applicable law.*
