

FORM 7

**MONTHLY PROGRESS REPORT**

Name of Listed Issuer: Gold Port Corporation (the "Issuer")

Trading Symbol: GPO

Number of Outstanding Listed Securities: 48,630,360

Date: November 6, 2023

This Monthly Progress Report must be posted before the opening of trading on the fifth trading day of each month. This report is not intended to replace the Issuer's obligation to separately report material information forthwith upon the information becoming known to management or to post the forms required by Exchange Policies. If material information became known and was reported during the preceding month to which this report relates, this report should refer to the material information, the news release date and the posting date on the Exchange website.

This report is intended to keep investors and the market informed of the Issuer's ongoing business and management activities that occurred during the preceding month. Do not discuss goals or future plans unless they have crystallized to the point that they are "material information" as defined in the Policies. The discussion in this report must be factual, balanced and non-promotional.

**General Instructions**

- (a) Prepare this Monthly Progress Report using the format set out below. The sequence of questions must not be altered nor should questions be omitted or left unanswered. The answers to the items must be in narrative form. State when the answer to any item is negative or not applicable to the Issuer. The title to each item must precede the answer.
- (b) The term "Issuer" includes the Issuer and any of its subsidiaries.
- (c) Terms used and not defined in this form are defined or interpreted in Policy 1 – Interpretation and General Provisions.

**Report on Business**

- 1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.

**See Item 2 below for a complete overview and discussion of the Issuer's activities for the month of October 2023.**

- 2. Provide a general overview and discussion of the activities of management.

**On October 23, 2023, the Issuer announced that leach test work has begun using a new and innovative leaching process. Draslovka's Mining Innovation Centre in Perth, Australia has been retained to test their patented "GlyCat™" glycine leaching technology for the recovery of gold using a dual lixiviant system of glycine and sodium cyanide. Samples from the Groete Gold Project have been received in Australia and are currently under evaluation. Test work is being conducted under the supervision of Mr. William Feyerabend, CPG, a Qualified Person under National Instrument 43-101, and a director of the Issuer.**

**Glycine is a non-toxic biodegradable and recyclable amino acid commonly used as a food additive. Industry test work by Draslovka's Mining Innovation Centre in Perth, has demonstrated that GlyCat™ enables significant operation cost savings from the reduction in the use of cyanide, detoxification and other leaching reagents, potential improvements in gold recovery as well as reduction of waste and wastewater treatment costs.**

- 3. Describe and provide details of any new products or services developed or offered. For resource companies, provide details of new drilling, exploration or production programs and acquisitions of any new properties and attach any mineral or oil and gas or other reports required under Ontario securities law.
