

## **Graphite Energy Announces Closing of Non-Brokered Private Placement**

**Vancouver, British Columbia / October 8, 2020 – Graphite Energy Corp. (the “Company”) (CSE:GRE.X) (OTC:GRXXF) (Frankfurt: G0A) announces that it has closed its non-brokered private placement (the “Private Placement”) issuing 597,014 units (the “Units”), at a price of \$0.5025 per Unit for gross proceeds of \$300,000. Each Unit is comprised of one common share (a “Share”) and one transferable common share purchase warrant (a “Warrant”).**

Each Warrant allows the holder to purchase one Share of the Company at a price of \$0.75 per Share for a period of three (3) years from the date of closing of the Private Placement.

All securities issued pursuant to the Private Placement are subject to a four-month hold period.

The Company intends to use the net proceeds from the Private Placement for exploration activities, in particular, the proposed acquisition of the Beatons River, Cuprite West & East, Tyche, Fortuna & Nortia under-explored projects located in Western Australia’s Pilbara Gold District, as announced in the Company’s news release dated July 16, 2020, and for general working capital.
