

GREEN 2 BLUE ANNOUNCES AGM RESULTS

Vancouver, British Columbia – March 27, 2018 - Green 2 Blue Energy Corp. (CSE: GTBE, OTCQB: GTGEF, FWB: 1NZ.F) ("**G2BE**" or the "**Company**") is pleased to announce that at the Company's Annual General Meeting held Thursday, March 22, 2018, all resolutions proposed were duly passed by the shareholders of the Company.

Among other resolutions, shareholders elected three incumbent directors - Slawomir Smulewicz, Michael Young, and Glenn Little – as well as a new director, Andrew Lee. Mr. Lee is the Chief Executive Officer and a director of Blue Creek Forest Products Ltd., a private forestry company he founded in 2015 that is focused on small scalable operations to manufacture and process wood products. In addition, he serves as an independent director of Phoenix Gold Resources Corp. He has previously served as a director of a number of public companies and has been a consultant, assisting with financings and corporate development, to mineral exploration companies since 1998. Mr. Lee holds a Bachelor of Science degree from the University of British Columbia.

About G2BE

G2BE is a renewable energy company focused on residential and commercial wood pellet production and the implementation of biomass gasification technology to generate combined heat and power. G2BE's wood pellets are sold to retail outlets and power producers throughout Europe, including the United Kingdom, Germany, Poland, Italy and Denmark.
