

FORM 7

MONTHLY PROGRESS REPORT

Name of Listed Issuer: Gold Basin Resources Corporation (the "Issuer")

Trading Symbol: GXX

Number of Outstanding Listed Securities: 71,316,529

Date: May 4, 2021 (for the month ended April 30, 2021)

This Monthly Progress Report must be posted before the opening of trading on the fifth trading day of each month. This report is not intended to replace the Issuer's obligation to separately report material information forthwith upon the information becoming known to management or to post the forms required by Exchange Policies. If material information became known and was reported during the preceding month to which this report relates, this report should refer to the material information, the news release date and the posting date on the Exchange website.

This report is intended to keep investors and the market informed of the Issuer's ongoing business and management activities that occurred during the preceding month. Do not discuss goals or future plans unless they have crystallized to the point that they are "material information" as defined in the Policies. The discussion in this report must be factual, balanced and non-promotional.

General Instructions

- (a) Prepare this Monthly Progress Report using the format set out below. The sequence of questions must not be altered nor should questions be omitted or left unanswered. The answers to the items must be in narrative form. State when the answer to any item is negative or not applicable to the Issuer. The title to each item must precede the answer.
- (b) The term "Issuer" includes the Issuer and any of its subsidiaries.
- (c) Terms used and not defined in this form are defined or interpreted in Policy 1 – Interpretation and General Provisions.

Report on Business

1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.

(1) *State aggregate proceeds and intended allocation of proceeds.*

15. Provide details of any loans to or by Related Persons.

There were no loans to or by Related Persons during the month of April 2021.

16. Provide details of any changes in directors, officers or committee members.

There were no changes in directors, officers or committee members during the month of April 2021.

17. Discuss any trends which are likely to impact the Issuer including trends in the Issuer's market(s) or political/regulatory trends.

The Issuer has no history of earnings and to date has not defined any commercial quantities of mineral reserves. The Issuer and its assets may become subject to uninsurable risks. The Issuer's activities may require permits or licenses which may not be granted to the Issuer. The Issuer competes with other companies with greater financial resources and technical facilities. The Issuer may be affected by political, economic, environmental and regulatory risks beyond its control. The Issuer is currently largely dependent on the performance of its directors and officers and there is no assurance the Issuer can retain their services. In recent years both metal prices and publicly traded securities prices have fluctuated widely.

The outbreak of the coronavirus ("COVID-19") pandemic is likely to impact the Issuer's plans and activities. The Issuer may face disruption to operations, supply chain delays, travel and trade restrictions and impact on economic activity in affected countries or regions can be expected and can be difficult to quantify. Such pandemics or diseases represent a serious threat to maintaining a skilled workforce industry and could be a major health-care challenge for the Issuer. There can be no assurance that the Issuer's personnel will not be impacted by these pandemic diseases and ultimately that the Issuer would see its workforce productivity reduced or incur increased medical costs/insurance premiums as a result of these health risks. In addition, the COVID-19 pandemic has created a dramatic slowdown in the global economy. The duration of the COVID-19 outbreak and the resultant travel restrictions, social distancing, government response actions, business closures and business disruptions, can all have an impact on the Issuer's operations and access to capital. There can be no assurance that the Issuer will not be impacted by adverse consequences that may be brought about by the COVID-19 pandemic on global financial markets which may result in reduced resource prices, share prices and financial liquidity and thereby may severely limit the financing capital available.

Certificate Of Compliance
