GREENBANK'S AFFILIATE SLABDECK SIGNS DEVELOPMENT AGREEMENT

Toronto, Ontario, August 25, 2017 – GreenBank Capital Inc (CSE: GBC and OTCMKTS: GRNBF) ("GreenBank or the Company") announces that its 14% owned affiliate Slabdeck Technology Inc ("Slabdeck"), which is developing a unique comprehensive all-in-one search mobile application that integrates social search, discovery and communication, has signed a development agreement with an India-based specialist mobile app development company ("Agreement").

The signing of the Agreement ensures the completion of Version 1.0 of the Slabdeck App which includes numerous new features and upgrades, and which will be a significant improvement from the beta version of Slabdeck that has already been downloaded by 5,000 users worldwide.

The Slabdeck mobile application resolves the challenge of having to use numerous apps to find items of interest. Version 1.0 is now anticipated to be released at the end of October 2017. The 1.0 version will enable users to receive customized information based on their preferences, which are displayed in content decks. With Slabdeck's deck displays, users will discover personal things of interest, such as restaurants, entertainment, sports, travel, retail stores etc. Slabdeck version 1.0 offers the ability to locate nearby facilities, friends or people of interest. Group pods can be created for people with common interests, co-workers, friends, and family. The group pods facilitate free instant messaging, photo and video sharing, all in one place. Slabdeck 1.0 will also offer high quality internet-based free voice calls, live broadcasting, and text messaging. Further, PDF documents, spreadsheets, and slideshows, can be sent and received without the need for email or file sharing apps. Slabdeck version 1.0 has a built-in encryption layer and only the user and the recipient can read or listen to messages and calls. More information is available at www.slabdeck.com.

CEO and Founder of Slabdeck, Benjamin Peter, said "I am gratified by the response that Slabdeck has already received, and I am pleased to be able to deliver what customers have been asking for."
