### **About Harvest Health and Recreation**

*Harvest Health & Recreation Inc. is one of the first consistently profitable, vertically integrated cannabis companies with one of the largest footprints in the U.S. Harvest's complete vertical solution includes industry-leading cultivation, manufacturing, and retail facilities, construction, real estate, technology, operational, and brand building expertise — leveraging in-house legal, HR and marketing teams, along with proven experts in writing and winning state-based applications. The company has more than 750 employees with proven experience, expertise and knowledge of in-house best practices that are drawn upon whenever Harvest enters new markets. Harvest's executive team is comprised of leaders in finance, compliance, real estate and operations. Since its founding in 2011, Harvest has grown its footprint every year, has been ranked as the third largest cultivator in the U.S. and currently owns licenses for 200 facilities, of which 123 are retail locations, across the U.S. Harvest shares timely updates and releases as part of its regular course of business with the media and the interested public.
