Codebase Ventures Inc. is A BRITISH COLUMBIA BUSINESS CORPORATIONS ACT COMPANY

IMPORTANT INFORMATION RETAIN FOR YOUR RECORDS.

This advice is your record of the securities transaction affecting your holdings recorded on the books of the Issuer as part of the book-based Direct Registration System (DRS). It is neither a negotiable instrument nor a security. You can transfer or sell your book-based DRS holdings represented by this advice by presenting this advice to your broker along with written instructions/stock power. If the Issuer's incorporating documents and governing legislation entitle security holders to receive certificates representing their holdings, this advice is also a non-transferable written acknowledgement of your right to receive such a certificate in respect of your holdings.

Upon request, the Issuer will furnish to any security holder, without charge, a full statement of the designations, rights (including rights under an Issuer Rights Agreement, if any), preferences and limitations of the securities of each class and series authorized to be issued and the authority of the Board of Directors to divide the securities into series and to determine and change rights, preferences and limitations of any class or series.

The assets in your account on the books of the Issuer are part of the Direct Registration System. Such assets are not deposits of Computershare and are not insured by the Canada Deposit Insurance Corporation or any other government agency.

Privacy Notice

Computershare is committed to protecting your personal information. In the course of providing services to you and our corporate clients, we receive non-public personal information about you - from transactions we perform for you, forms you send us, other communications we have with you or your representatives, etc. This information could include your name, address, social insurance number, securities holdings and other financial information. We use this to administer your account, to better serve your and our clients' needs and for other lawful purposes relating to our services. Some of your information may be transferred to servicers in the U.S.A. for data processing and/or storage. We have prepared a *Privacy Code* to tell you more about our information practices, how your privacy is protected and how to contact our Chief Privacy Officer. It is available at our website, computershare.com, or by writing us at 100 University Avenue, Toronto, Ontario, M5J 2Y1.

DIRECT REGISTRATION SYSTEM (DRS)

> THE SECURITY AND CONVENIENCE OF CERTIFICATELESS SECURITY OWNERSHIP

WHY AM I RECEIVING A DIRECT REGISTRATION (DRS) ADVICE?

The company in which you own securities has elected to use the **Direct Registration System (DRS)** instead of sending out traditional paper certificates to their holders. **DRS** is a way of recording security ownership without the need to issue a physical paper stock certificate.

Securities held in **DRS** (book-entry form) have all the traditional rights and privileges as securities held in certificate form. Ownership without paper securities is much easier and has many benefits, such as:

- > Eliminates your risk of loss, theft or destruction of certificates, plus the time and expense to replace a lost certificate
- > Eliminates the cost of maintaining a secure place to keep your certificates
- > Makes your security transactions faster and easier
- > Saves the company unnecessary printing and mailing expenses
- > Has become the global standard for security ownership

WITHOUT CERTIFICATES, HOW WILL I KNOW HOW MANY SECURITIES I OWN?

Every time you have a security transaction that affects your **DRS** holdings, you are sent a new **DRS** advice which will detail the transaction and confirm the number of the company's securities you hold in book-entry form.

You can also review your **DRS** holdings on-line by registering for **Investor Centre, Computershare's online self-service web portal** at www.computershare.com/investorcentre/canada at any time.

WITHOUT CERTIFICATES, HOW WILL I KNOW HOW MANY SECURITIES I OWN?...CONT'D

After you have registered for this free service, you will be able to review all of your security holdings in both book and certificated form and access both current and past copies of **DRS** advices.

Do you want more information on **DRS**? Please visit our website at www.computershare.com/investorcentre/canada and click on **Got a Question? Ask Penny**.

See below for instructions on how to transfer your **DRS** securities to your broker. For all other transfers, please complete a **Securities Transfer Form**, which is available at www.computershare.com/investorcentre/canada under the **Printable Forms** button.

WHAT IF I ALREADY HOLD CERTIFICATES IN THIS COMPANY?

If you would like to have all your holdings reflected on your advice, you can move your existing certificates to **DRS**. You can find a **Direct Registration (DRS) Transaction Request Form** at www.computershare.com/investorcentre/canada under the **Printable Forms** button. Complete this form and send it, along with your certificate(s), to:

Computershare Investor Services
Attn: Stock Transfer Department
100 University Ave, 8th Floor
Toronto, Ontario, M5J 2Y1

Note: We cannot convert your security certificates to **DRS** securities without receipt of the actual certificates. When sending certificates through the mail, we recommend the use of registered or certified mail.

HOW DO I TRANSFER MY DRS SECURITIES TO MY BROKER OR SELL MY DRS SECURITIES?

In Canada

Have your broker request that your securities be sent to them via the Canadian Depository for Securities CDSX System. Supply your broker with a copy of your latest Advice and the following information:

- > Your completed Securities Transfer Form (your written instruction to sell or transfer your securities)
- > Your Computershare Holder Account Number (on your Advice)
- > Your Social Insurance Number
- > The number of whole securities you wish to move from your **DRS** book entry position to your brokerage account

Outside Canada and the United States, your broker can also arrange a deposit to your account by using the services of a brokerage firm with offices in Canada.

In the United States

If the securities are listed on a U.S. exchange, have your broker request your securities be sent to them through the Depository Trust Company's Direct Registration Profile System. Supply your broker with a copy of your latest Advice and the following information:

- > Your completed Securities Transfer Form (your written instruction to sell or transfer your securities)
- > Your Computershare account number (on your Advice)
- > Your Social Security Number
- > Computershare's DTC number, 7807
- > The number of whole securities you wish to move from your **DRS** book entry position to your brokerage account

If the securities are not listed on a U.S. Exchange, your broker can still arrange a deposit to your account. Provide your broker with a copy of your latest Advice along with your Securities Transfer Form and your broker can arrange the deposit to your account through the services of their correspondent Canadian broker.
