Part 2. Acquisition

1. Provide details of the assets to be acquired by the Issuer (including the location of the assets, if applicable). The disclosure should be sufficiently complete to enable a reader to appreciate the significance of the transaction without reference to any other material:

The Issuer has agreed to acquire Trichome Financial Corp. (“Trichome”) pursuant to the terms and subject to the conditions of a definitive arrangement agreement (the “Arrangement Agreement”) dated December 30, 2020 between the Issuer and Trichome (the “Transaction”). Under the terms of the Arrangement Agreement, the shareholders of Trichome will receive 0.981 common shares of the Issuer for each common share of Trichome (the “Consideration”). Trichome is a specialty finance company focused on providing flexible and creative capital solutions to the global legal cannabis market. Trichome was created to address the lack of credit availability in the large, growing and increasingly complex cannabis market. The acquisition of Trichome is expected to create a global cannabis production and distribution leader with operations in Israel and Germany’s medical cannabis markets under the IMC brand, and in Canada’s adult-use recreational market through Trichome’s wholly-owned subsidiary, Trichome JWC Acquisition Corp. (“JWC”).

2. Provide details of the acquisition including the date, parties to and type of agreement (eg: sale, option, license etc.) and relationship to the Issuer. The disclosure should be sufficiently complete to enable a reader to appreciate the significance of the acquisition without reference to any other material:

Under the Arrangement Agreement, the Issuer will acquire Trichome by way of a court-approved plan of arrangement under the *Business Corporations Act* (Ontario).

The Arrangement Agreement will require the approval of: (i) two-thirds of the votes cast by shareholders of Trichome; and (ii) 50%+1 of the Trichome shareholders, excluding Marc Lustig and Michael Ruscetta⁴ in accordance with Multilateral Instrument 61-101, in each case at special meetings expected to take place in Q1 2021. Trichome’s directors and officers, Cresco Labs Inc. (CSE:CL), and Opaskawayak Cree Nation, which currently hold approximately 34% of the outstanding common shares of Trichome, have each entered into voting support agreements to vote their shares in favour of the Transaction and lock-up agreements restricting the resale of IMC common shares to be owned by such individuals upon closing of the Transaction to a staggered 1/6 release per month of such shares for a period of 6 months. Certain Trichome convertible debenture holders representing approximately 75% of the outstanding principal amount of

⁴ Marc Lustig and Michael Ruscetta are each deemed to be a “related party” to Trichome as defined in Multilateral Instrument 61-101 – *Protection of Minority Security Holders in Special Transactions*.

such Trichome convertible debentures have also entered into voting support agreements in favour of the Arrangement Agreement.

Subsequent to the date of the Arrangement Agreement, Trichome accelerated conversion of the convertible debentures by press release dated January 5, 2021 and the parties intend to enter into an amendment to the Arrangement Agreement to reflect the conversion of the debentures and the fact that no debentureholder meeting will be required. The shares issued on conversion of the debentures represent approximately 3% of the issued and outstanding shares of Trichome and the shares issued to the debentureholders who signed voting and support agreements remain subject to those agreements.

The Arrangement Agreement includes customary representations, warranties and covenants, including covenants not to solicit other acquisition proposals and the right to match any superior proposals. A termination fee of \$3.5 million will be paid to the Company in certain circumstances should the Transaction not be completed.

Completion of the Transaction is subject to court and regulatory approvals, which are currently expected to be received in the first half of 2021.
