INNER SPIRIT HOLDINGS ANNOUNCES UPSIZE TO BOUGHT DEAL PUBLIC OFFERING TO C\$10M

CALGARY, Alberta (February 18, 2021) – Inner Spirit Holdings Ltd. ("**Inner Spirit**" or the "**Company**") (CSE:ISH), a Canadian company that has established a national network of Spiritleaf cannabis retail stores, is pleased to announce that it has amended the terms of its previously announced bought deal offering of Units (as defined below). Under the amended terms of the Offering (as defined below) a syndicate of underwriters (the "**Underwriters**") co-led by Echelon Wealth Partners Inc. ("**Echelon**") and Cantor Fitzgerald Canada Corporation ("**Cantor**"), and including Acumen Capital Partners, have agreed to increase the size of the Offering, to purchase, on a bought deal basis, 35,720,000 units (the "**Units**", each a "**Unit**") in the capital of the Company at a price of C\$0.28 per Unit (the "**Offering Price**") for aggregate gross proceeds to the Company of C\$10,001,600 (the "**Offering**").

Each Unit will consist of one common share of the Company (each a "**Common Share**") and one-half of a common share purchase warrant (each full warrant, a "**Warrant**", and collectively, the "**Warrants**"). Each Warrant shall entitle the holder thereof to purchase one Common Share at an exercise price of \$0.34, for a period of 36 months following the closing of the Offering.

The Company has agreed to grant the Underwriters an over-allotment option to purchase up to an additional 15% of the Units at the Issue Price, exercisable in whole or in part, at any time on or prior to the date that is 30 days following the closing of the Offering. If this option is fully exercised in full, approximately \$1,500,240 in additional proceeds will be raised pursuant to the Offering and the aggregate proceeds of the Offering will be approximately \$11,501,840.

The Company intends to use the net proceeds of the Offering to build out additional corporate Spiritleaf retail cannabis stores in select markets and for strategic, working capital and general corporate purposes.

The Units will be offered in each of the provinces of Canada (except Québec) by way of a short form prospectus to be filed in each of such jurisdictions pursuant to National Instrument 44-101 – *Short Form Prospectus Distributions* and may be offered (i) in the United States on a private placement basis to "qualified institutional buyers" pursuant to an exemption from the registration requirements of the United States Securities Act of 1933, as amended (the "U.S. Securities Act"), and (ii) outside of Canada and the United States on a basis which does not require the qualification or registration of any of the Company's securities under domestic or foreign securities laws.

This news release does not constitute an offer to sell or a solicitation of an offer to sell any of securities in the United States. The securities have not been and will not be registered under the U.S. Securities Act or any state securities laws and may not be offered or sold within the United States or to, for the account or benefit of, U.S. Persons (as such term is defined in Regulation S under the U.S. Securities Act) unless registered under the U.S. Securities Act and applicable state securities laws or an exemption from such registration is available.

The closing date of the Offering is scheduled to be on or about March 10, 2021, and is subject to certain conditions including, but not limited to, the completion of formal documentation and the receipt of all necessary approvals, including the approval of the applicable the securities commissions or similar securities regulatory authorities and the Canadian Securities Exchange.
