INFORMATION CIRCULAR

as at May 24, 2016 (*except as otherwise indicated*)

This Information Circular is furnished in connection with the solicitation of proxies by the management of International Wastewater Systems Inc. (the “Company”) for use at the annual general meeting (the “Meeting”) of its shareholders to be held on Thursday, June 23, 2016 at the time and place and for the purposes set forth in the accompanying notice of the Meeting.

In this Information Circular, references to the “Company”, “we” and “our” refer to International Wastewater Systems Inc. “Common Shares” means common shares without par value in the capital of the Company. “Beneficial Shareholders” means shareholders who do not hold Common Shares in their own name and “intermediaries” refers to brokers, investment firms, clearing houses and similar entities that own securities on behalf of Beneficial Shareholders.

GENERAL PROXY INFORMATION

Solicitation of Proxies

The solicitation of proxies will be primarily by mail, but proxies may be solicited personally or by telephone by directors, officers and regular employees of the Company. The Company will bear all costs of this solicitation. We have arranged for intermediaries to forward the meeting materials to beneficial owners of the Common Shares held of record by those intermediaries and we may reimburse the intermediaries for their reasonable fees and disbursements in that regard.

Appointment of Proxyholders

Each of the individuals named in the accompanying form of proxy (the “Proxy”) is a director and/or officer of the Company. **If you are a shareholder entitled to vote at the Meeting, you have the right to appoint a person or company other than either of the persons designated in the Proxy, who need not be a shareholder, to attend and act for you and on your behalf at the Meeting. You may do so either by inserting the name of that other person in the blank space provided in the Proxy or by completing and delivering another suitable form of proxy.**

Voting by Proxyholder

The persons named in the Proxy will vote or withhold from voting the Common Shares represented thereby in accordance with your instructions on any ballot that may be called for. If you specify a choice with respect to any matter to be acted upon, your Common Shares will be voted accordingly. The Proxy confers discretionary authority on the persons named therein with respect to:

- (a) each matter or group of matters identified therein for which a choice is not specified, other than the appointment of an auditor and the election of directors,
- (b) any amendment to or variation of any matter identified therein, and
- (c) any other matter that properly comes before the Meeting.

In respect of a matter for which a choice is not specified in the Proxy, the persons named in the Proxy will vote the Common Shares represented by the Proxy for the approval of such matter.

Registered Shareholders

Registered Shareholders may wish to vote by proxy whether or not they are able to attend the Meeting in person. Registered Shareholders may choose one of the following options to submit their proxy:

- (a) completing, dating and signing the enclosed form of proxy and returning it to the Company’s transfer

agent, Computershare Investor Services Inc. (“Computershare”), by fax within North America at 1-866-249-7775, outside North America at (416) 263-9524, or by mail to the 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1 or by hand delivery at 2nd Floor, 510 Burrard Street, Vancouver, British Columbia, Canada V6C 3B9;

- (b) use a touch-tone phone to transmit voting choices to a toll free number. Registered shareholders must follow the instructions of the voice response system and refer to the enclosed proxy form for the toll free number, the holder’s account number and the proxy access number; or
- (c) use the internet through the website of the Company’s transfer agent at www.investorvote.com. Registered Shareholders must follow the instructions that appear on the screen and refer to the enclosed proxy form for the holder’s account number and the proxy access number.

In all cases the Registered Shareholder must ensure the proxy is received at least 48 hours (excluding Saturdays, Sundays and statutory holidays) before the Meeting or the adjournment thereof at which the proxy is to be used.

Beneficial Shareholders

The following information is of significant importance to shareholders who do not hold Common Shares in their own name. Beneficial Shareholders should note that the only proxies that can be recognized and acted upon at the Meeting are those deposited by registered shareholders (those whose names appear on the records of the Company as the registered holders of Common Shares) or as set out in the following disclosure.

If Common Shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those Common Shares will not be registered in the shareholder’s name on the records of the Company. Such Common Shares will more likely be registered under the names of the shareholder’s broker or an agent of that broker (an “intermediary”). In the United States, the vast majority of such Common Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depositary for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms).

Intermediaries are required to seek voting instructions from Beneficial Shareholders in advance of meetings of shareholders. Every intermediary has its own mailing procedures and provides its own return instructions to clients.

There are two kinds of Beneficial owners - those who object to their name being made known to the issuers of securities which they own (called “OBOs” for Objecting Beneficial Owners) and those who do not object to the issuers of the securities they own knowing who they are (called “NOBOs” for Non-Objecting Beneficial Owners).

The Company is taking advantage of the provisions of National Instrument 54-101 “Communication with Beneficial Owners of Securities of a Reporting Issuer” that permit it to directly deliver proxy-related materials to its NOBOs. As a result NOBOs can expect to receive a scannable Voting Instruction Form (“VIF”) from our transfer agent, Computershare. These VIFs are to be completed and returned to Computershare in the envelope provided or by facsimile. In addition, Computershare provides both telephone voting and internet voting as described on the VIF itself which contain complete instructions. Computershare will tabulate the results of the VIFs received from NOBOs and will provide appropriate instructions at the Meeting with respect to the shares represented by the VIFs they receive.

These securityholder materials are being sent to both registered and non-registered owners of the securities of the Company. If you are a non-registered owner, and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of securities, have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding securities on your behalf.

By choosing to send these materials to you directly, the Company (and not the intermediary holding securities on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in your request for voting instructions.

Beneficial Shareholders who are OBOs should follow the instructions of their intermediary carefully to ensure that their Common Shares are voted at the Meeting.

The form of proxy supplied to you by your broker will be similar to the proxy provided to registered shareholders by the

Company. However, its purpose is limited to instructing the intermediary on how to vote your Common Shares on your behalf. Most brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("Broadridge") in the United States and in Canada. Broadridge mails a VIF in lieu of a proxy provided by the Company. The VIF will name the same persons as the Company's Proxy to represent your Common Shares at the Meeting. You have the right to appoint a person (who need not be a Beneficial Shareholder of the Company), other than any of the persons designated in the VIF, to represent your Common Shares at the Meeting and that person may be you. To exercise this right, you should insert the name of the desired representative (which may be yourself) in the blank space provided in the VIF. The completed VIF must then be returned to Broadridge by mail or facsimile or given to Broadridge by phone or over the internet, in accordance with Broadridge's instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting and the appointment of any shareholder's representative. **If you receive a VIF from Broadridge, the VIF must be completed and returned to Broadridge, in accordance with its instructions, well in advance of the Meeting in order to have your Common Shares voted at the Meeting or to have an alternate representative duly appointed to attend the Meeting and to vote your Common Shares at the Meeting.**

Notice to Shareholders in the United States

The solicitation of proxies involve securities of an issuer located in Canada and is being effected in accordance with the corporate laws of the Province of British Columbia, Canada and securities laws of the provinces of Canada. The proxy solicitation rules under the *United States Securities Exchange Act of 1934*, as amended, are not applicable to the Company or this solicitation, and this solicitation has been prepared in accordance with the disclosure requirements of the securities laws of the provinces of Canada. Shareholders should be aware that disclosure requirements under the securities laws of the provinces of Canada differ from the disclosure requirements under United States securities laws.

Revocation of Proxies

In addition to revocation in any other manner permitted by law, a registered shareholder who has given a proxy may revoke it by:

- (a) executing a proxy bearing a later date or by executing a valid notice of revocation, either of the foregoing to be executed by the registered shareholder or the registered shareholder's authorized attorney in writing, or, if the shareholder is a corporation, under its corporate seal by an officer or attorney duly authorized, and by delivering the proxy bearing a later date to Computershare or at the address of the registered office of the Company at 1500 Royal Centre, 1055 West Georgia Street, P. O. Box 11117, Vancouver, British Columbia, V6E 4N7, at any time up to and including the last business day that precedes the day of the Meeting or, if the Meeting is adjourned, the last business day that precedes any reconvening thereof, or to the chairman of the Meeting on the day of the Meeting or any reconvening thereof, or in any other manner provided by law, or
- (b) personally attending the Meeting and voting the registered shareholder's Common Shares.

A revocation of a proxy will not affect a matter on which a vote is taken before the revocation.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

No director or executive officer of the Company, or any person who has held such a position since the beginning of the last completed financial year of the Company, nor any nominee for election as a director of the Company, nor any associate or affiliate of the foregoing persons, has any substantial or material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Meeting other than the election of directors and as may be set out herein.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

On October 27, 2015, the Company completed an acquisition (the "Transaction") of all the issued and outstanding shares of International Wastewater Heat Exchange Systems Inc., a company incorporated under the *Business Corporations Act* (British Columbia) ("IWHES") pursuant to a share exchange agreement (the "Agreement") dated September 4, 2015. The Transaction constituted a reverse takeover and a fundamental change under the policies of the Canadian Securities Exchange ("CSE"). IWHES is a world leader in state-of-the-art wastewater heat exchange systems. Pursuant to the Agreement, the Company issued to IWHES' shareholders, *pro rata*, a total of 45,000,000 common shares in the share capital of the Company. The Common Shares issued to IWHES' shareholders are subject to escrow, in accordance with the policies of the CSE.

In connection with the Transaction, IWHES also acquired shares of IWWS (UK) Limited, a subsidiary of IWHES, from minority shareholders, such that IWWS (UK) Limited is now wholly-owned by IWHES. In consideration for the minority interests in IWWS (UK), the Company issued an aggregate of 2,000,000 common shares, 500,000 options to purchase common shares for a period of five years at an exercise price of \$0.42, and may grant up to an additional 2,000,000 common shares upon IWWS (UK) Limited achieving certain future financial milestones. Additional information on the Transaction and the business of IWHES is provided in the Company's CSE Form 2A Listing Statement which is available under the Company's SEDAR profile at www.sedar.com.

On closing of the Transaction, the Company changed its name to "International Wastewater Systems Inc." and effective at the opening of trading on October 28, 2015 on the CSE, the Company resumed trading under the new symbol "IWS".

On completion of the Transaction, the Company changed its year end to December 31, 2015.

The board of directors (the "Board") of the Company has fixed May 12, 2016 as the record date (the "Record Date") for determination of persons entitled to receive notice of the Meeting. Advance Notice Provision

At the Company's annual general and special meeting held on November 25, 2013, the Company's shareholders approved the alteration of the Company's articles for the purpose of adopting advance notice provisions (the "**Advance Notice Provision**"). The Advance Notice Provision provides for advance notice to the Company in circumstances where nominations of persons for election to the Board of directors of the Company are made by shareholders of the Company other than pursuant to (i) a requisition of a meeting made pursuant to the provisions of the *Business Corporations Act* (British Columbia) or (ii) a shareholder proposal made pursuant to the provisions of the *Business Corporations Act* (British Columbia).

The purpose of the Advance Notice Provision is to foster a variety of interests of the shareholders and the Company by ensuring that all shareholders - including those participating in a meeting by proxy rather than in person - receive adequate notice of the nominations to be considered at a meeting and can thereby exercise their voting rights in an informed manner. Among other things, the Advance Notice Provision fixes a deadline by which holders of Common Shares must submit director nominations to the Company prior to any annual or special meeting of shareholders and sets forth the minimum information that a shareholder must include in the notice to the Company for the notice to be in proper written form.

The Advance Notice Provision also requires all proposed director nominees to deliver a written representation and agreement that such candidate for nomination, if elected as a director of the Company, will comply with all applicable corporate governance, conflict of interest, confidentiality, share ownership, majority voting and insider trading policies and other policies and guidelines of the Company applicable to directors and in effect during such person's term in office as a director.

The foregoing is merely a summary of the Advance Notice Provision, is not comprehensive and is qualified by the full text of such provision in the Company's Altered Articles, which is available under the Company's profile on SEDAR at www.sedar.com.

The Company did not receive notice of a nomination in compliance with the Advance Notice Provision, and as such, any nominations other than nominations by or at the direction of the Board or an authorized officer of the Company will be disregarded at the Meeting.

Unless otherwise directed, the persons named in the enclosed form of proxy intend to vote FOR the election of the Nominees.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT EACH SHAREHOLDER VOTE "FOR" THE ELECTION OF THE ABOVE NOMINEES AS DIRECTORS.

CORPORATE GOVERNANCE

Corporate Governance

Corporate governance relates to the activities of the Board, the members of which are elected by and are accountable to the shareholders of the Company. Corporate governance also takes into account the role of the individual members of management appointed by the Board who are charged with the day-to-day management of the Company. The Board is committed to sound corporate governance practices, which are both in the interest of its shareholders and contribute to effective and efficient decision making.

Board of Directors

Directors are considered to be independent if they have no direct or indirect material relationship with the Company. A “material relationship” is a relationship which could, in the view of a company’s board of directors, be reasonably expected to interfere with the exercise of a director’s independent judgment.

The Board facilitates its independent supervision over management of the Company through meetings of the Board and by ensuring that at least one director is independent of management. The Board is currently comprised of four members, one of whom is independent and three who are non-independent. The independent member of the Board is Mark McCooey. The non-independent directors are: Paul Bernard Lee (control person), Lynn Mueller (Chairman and CEO of the Company); and Yaron Conforti (CFO and Corporate Secretary of the Company).

Directorships

The following table sets forth the directors of the Company who currently hold directorships in other reporting issuers:

Name of Director	Other Issuer	Trading market
Yaron Conforti	Century Financial Capital Group Inc.	none

Orientation and Continuing Education

When new directors are appointed, they receive an orientation, commensurate with their previous experience, on the Company’s properties, business, technology and industry and on the responsibilities of directors.

Board meetings may also include presentations by the Company’s management and employees to give the directors additional insight into the Company’s business.

Ethical Business Conduct

The Board has found that the fiduciary duties placed on individual directors by the Company’s governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director’s participation in decisions of the Board in which the director has an interest are sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

Nomination of Directors

The Board considers its size each year when it considers the number of directors to recommend to the shareholders for election at the annual meeting of shareholders, taking into account the number required to carry out the Board's duties effectively and to maintain a diversity of views and experience.

The Board does not have a nominating committee, and these functions are currently performed by the Board as a whole. However, if there is a change in the number of directors required by the Company, this policy will be reviewed.

Compensation

The Board as a whole has the responsibility of determining the compensation for the directors and CEO.

To determine compensation payable, the Board reviews compensation paid to directors and chief executive officers of other companies of similar size and stage of development in similar industries and then determine appropriate compensation reflecting the responsibilities and time and effort expended by each director and the CEO while taking into account the financial and other resources of the Company. In settling on the compensation, the Board annually reviews the performance of the CEO in light of the Company's objectives and considers other factors that may have influenced achievement of the Company's objectives.

Other Board Committees

The Board has no committees other than the audit committee.

Assessments

The Board monitors the adequacy of information given to directors, communication between the Board and management and the strategic direction and processes of the Board and audit committee. No formal policy has been established to monitor the effectiveness of each director, the Board and the audit committee.

STATEMENT OF EXECUTIVE COMPENSATION – VENTURE ISSUERS

Named Executive Officer

In this section "Named Executive Officer" ("NEO") means the Chief Executive Officer ("CEO"), the Chief Financial Officer ("CFO") and the most highly compensated executive officers, other than the CEO and CFO, who was serving as executive officer at the end of the most recently completed financial year and whose total compensation was more than \$150,000, as well as any additional individual for whom disclosure would have been provided except that the individual was not serving as an executive officer of the Company at the end of the most recently completed financial year.

Director and Named Executive Officer Compensation

Lynn Mueller, Chairman, Chief Executive Officer and a director of the Company, Yaron Conforti, CFO, Corporate Secretary and a director of the Company, are each an NEO of the Company for the purposes of the following disclosure and current directors, Mark McCooey and Paul Bernard Lee, and former directors, Henry J. Sandri and John King Burns who were directors of the Company at financial year ended December 31, 2015 for the purposes of the following disclosure.

Oversight and Description of Director and NEO Compensation

The Board as a whole assumes responsibility for reviewing and monitoring compensation for the Company's senior management and directors, and as part of that mandate determines the compensation of the Company's CEO and CFO. The following is a summary of the Company's executive compensation objectives, processes and compensation decisions relating to its NEOs and directors listed in the compensation tables that follow.

The Company has limited financial resources to ensure that funds are available to complete its business objectives. As a result, the Board must consider not only the financial situation of the Company at the time of the determination of executive compensation, but also the estimated financial situation of the Company both in the mid-term and the long-term. Because stock options do not require cash disbursement by the Company they are an important element of executive compensation. Additional information about the Company and its operations is available in the Company's consolidated financial statements and related management's discussion & analysis for the year ended December 31, 2015, which have been filed with regulators and are available for review under the Company's profile under the Canadian System for Electronic Document Analysis and Retrieval (SEDAR) at www.sedar.com.

The Board has assessed the Company's compensation plans and programs for its executive officers to ensure alignment with the Company's business plan and to evaluate the potential risks associated with those plans and programs. The Board has concluded that the compensation policies and practices do not create any risks that are reasonably likely to have a material adverse effect on the Company. The Board considers the risks associated with executive compensation and corporate incentive plans when designing and reviewing such plans and programs.

The Company has not adopted a policy restricting its executive officers or directors from purchasing financial instruments that are designated to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by its executive officers or directors. To the knowledge of the Company, none of the executive officers or directors has purchased such financial instruments.

Philosophy and Objectives

Compensation for senior management of the Company is designed to ensure that the level and form of compensation achieves certain objectives, which are:

- to attract and retain qualified and effective executives;
- to motivate the short and long-term performance of these executives; and
- to align their interests with those of the Company's shareholders.

In compensating its senior management, the Company has employed a combination of base salary and equity participation through its stock option plan.

Base Salary

In the Board's view, paying base salaries which are competitive in the markets in which the Company operates is a first step to attracting and retaining talented, qualified and effective executives. Competitive salary information on companies earning comparable revenues in a similar industry has been reviewed and compared over a variety of sources.

Equity Participation

The Company believes that encouraging its executives and employees to become shareholders is the best way of aligning their interests with those of its shareholders. Equity participation is accomplished through the Company's stock option plan. Stock options are granted to senior executives and employees taking into account a number of factors, including the amount and term of options previously granted, base salary and bonuses and competitive factors. Options, which vest immediately, are generally granted to senior executives and Board members.

The Board approved the grant of an aggregate of 5,700,000 options to purchase Common Shares in the year ended December 31, 2015 to certain directors, officers, employees and consultants of the Company; however, no option certificates or other form of award documentation was issued to any of the optionees in respect of such Options. Subsequent to year end, the Company determined not to proceed with such option grants and effective May 24, 2016 the options were cancelled.

The options granted during the year ended December 31, 2015 are included in the table below under the heading "*Option Based Awards*" below.

Compensation of Board Members and Named Executive Officers

Compensation for each of the Board members and each of the NEOs is approved by the Board as a whole. Base cash compensation and variable cash compensation levels are based, in part, on market survey data provided to the Board by independent consultants.

Benefits and Perquisites

In general, the Company will provide a specific benefit or perquisite only when it provides competitive value and promotes retention of executives, or when the perquisite provides shareholder value, such as ensuring the health of executives. Limited perquisites the Company provides its executives may include a parking allowance or a fee for each Board or Audit Committee meeting attended, to assist with their out-of-pocket expenses. Such benefits and perquisites are set out, respectively, in the Summary Compensation Table below.

Option-Based Awards

The Company has a 10% rolling stock option plan in place, which was established to provide incentive to qualified parties to increase their proprietary interest in the Company and thereby encourage their continuing association with the Company. Management proposes stock option grants to the Board based on such criteria as performance, previous grants, and hiring incentives. All grants require approval of the Board. The 10% rolling stock option plan is administered by the Board and provides that options will be issued to directors, officers, employees or consultants of the Company or a subsidiary of the Company.
