

BLUE LAGOON RESOURCES INC.

Suite 610 – 700 West Pender Street
Vancouver, British Columbia, V6C 1G8

**MANAGEMENT INFORMATION CIRCULAR
AS AT NOVEMBER 1, 2019**

This Management Information Circular (“Information Circular”) is furnished in connection with the solicitation of proxies by management of Blue Lagoon Resources Inc. for use at the annual general meeting (the “Meeting”) of shareholders of Blue Lagoon Resources Inc. (the “Shareholders”) to be held on December 5, 2019 and any adjournment or postponement thereof, for the purposes set forth in the attached Notice of Annual General Meeting. Except where otherwise indicated, the information contained herein is stated as of November 1, 2019.

In this Information Circular, references to the “**Company**” and “**we**” refer to Blue Lagoon Resources Inc. “**Common Shares**” means common shares without par value in the capital of the Company. “**Registered Shareholders**” means Shareholders whose names appear on the records of the Company as the registered holders of Common Shares. “**Non-Registered Shareholders**” means Shareholders who do not hold Common Shares in their own name. “**Intermediaries**” refers to brokers, investment firms, clearing houses and similar entities that own securities on behalf of Non-Registered Shareholders.

GENERAL PROXY INFORMATION

Solicitation of Proxies

The solicitation of proxies will be primarily by mail, but proxies may be solicited personally or by telephone by directors, officers and regular employees of the Company. The Company will bear all costs of this solicitation. We have arranged to send meeting materials directly to Registered Shareholders, as well as Non-Registered Shareholders who have consented to their ownership information being disclosed by the Intermediary holding the Common Shares on their behalf (non-objecting beneficial owners). We have not arranged for Intermediaries to forward the meeting materials to Non-Registered Shareholders who have objected to their ownership information being disclosed by the Intermediary holding the Common Shares on their behalf (objecting beneficial owners). As a result, objecting beneficial owners will not receive the Information Circular and associated meeting materials unless their Intermediary assumes the costs of delivery.

Appointment and Revocation of Proxies

The individuals named in the accompanying form of proxy (the “**Proxy**”) are officers of the Company or solicitors for the Company. **If you are a Registered Shareholder, you have the right to attend the meeting or vote by proxy and to appoint a person or company other than the person designated in the Proxy, who need not be a Shareholder, to attend and act for you and on your behalf at the Meeting. You may do so either by inserting the name of that other person in the blank space provided in the Proxy or by completing and delivering another suitable form of Proxy.**

If you are a Registered Shareholder you may wish to vote by proxy whether or not you are able to attend the Meeting in person. Registered Shareholders electing to submit a proxy may do so by completing, dating and signing the enclosed form of proxy and returning it to the Company’s transfer agent, Odyssey Trust Company (“**Odyssey**”), in accordance with the instructions on the Proxy.

In all cases you should ensure that the Proxy is received at least 48 hours (excluding Saturdays, Sundays and holidays) before the Meeting or the adjournment thereof at which the proxy is to be used.

Every Proxy may be revoked by an instrument in writing:

- (i) executed by the Shareholder or by his/her attorney authorized in writing or, where the Shareholder is a company, by a duly authorized officer or attorney of the company; and
- (ii) delivered either to the registered office of the Company at any time up to and including the last business day preceding the day of the Meeting or any adjournment or postponement thereof, at which the Proxy is to be used, or to the chairman of the Meeting on the day of the Meeting or any adjournment or postponement thereof,

or in any other manner provided by law.

Only Registered Shareholders have the right to revoke a Proxy. Non-Registered Shareholders who wish to change their vote must, at least seven days before the Meeting, arrange for their respective Intermediaries to revoke the Proxy on their behalf. If you are a Non-Registered Shareholder, see “Voting by Non-Registered Shareholders” below for further information on how to vote your Common Shares.

Exercise of Discretion by Proxyholder

If you vote by proxy, the persons named in the Proxy will vote or withhold from voting the Common Shares represented thereby in accordance with your instructions on any ballot that may be called for. If you specify a choice with respect to any matter to be acted upon, your Common Shares will be voted accordingly. The Proxy confers discretionary authority on the persons named therein with respect to:

- (i) each matter or group of matters identified therein for which a choice is not specified;
- (ii) any amendment to or variation of any matter identified therein;
- (iii) any other matter that properly comes before the Meeting; and
- (iv) exercise of discretion of the Proxyholder.

In respect of a matter for which a choice is not specified in the Proxy, the persons named in the Proxy will vote the Common Shares represented by the Proxy for the approval of such matter. Management is not currently aware of any other matters that could come before the Meeting.

Voting by Non-Registered Shareholders

The following information is of significant importance to Shareholders who do not hold Common Shares in their own name. Non-Registered Shareholders should note that the only Proxies that can be recognized and acted upon at the Meeting are those deposited by Registered Shareholders.

If Common Shares are listed in an account statement provided to a Shareholder by an Intermediary, then in almost all cases those Common Shares will not be registered in the Shareholder’s name on the records of the Company. Such Common Shares will more likely be registered under the name of the Shareholder’s Intermediary or an agent of that Intermediary. In the United States, the vast majority of such Common Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms).

If you have consented to disclosure of your ownership information, you will receive a request for voting instructions from the Company (through Odyssey). If you have declined to disclose your ownership information, you may receive a request for voting instructions from your Intermediary if they have assumed the cost of delivering the Information Circular and associated meeting materials. Every Intermediary has its own mailing procedures and provides its own return instructions to clients. However, most Intermediaries now delegate responsibility for obtaining voting instructions from clients to Broadridge Financial Solutions, Inc. (“**Broadridge**”) in the United States and in Canada.

If you are a Non-Registered Shareholder, you should carefully follow the instructions on the voting instruction form received from Odyssey or Broadridge in order to ensure that your Common Shares are voted at the Meeting. The voting instruction form supplied to you will be similar to the Proxy provided to the Registered Shareholders by the Company. However, its purpose is limited to instructing the Intermediary on how to vote on your behalf.

The voting instruction form sent by Odyssey or Broadridge will name the same persons as the Company’s proxy to represent you at the Meeting. **Although as a Non-Registered Shareholder you may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of your Intermediary, you, or a person designated by you (who need not be a Shareholder), may attend at the Meeting as Proxyholder for your Intermediary and vote your Common Shares in that capacity.** To exercise this right to attend the meeting or appoint a Proxyholder of your own choosing, you should insert your own name or the name of the desired representative in the blank space provided in the voting instruction form. Alternatively, you may provide other written instructions requesting that you or your desired representative attend the Meeting as Proxyholder for your Intermediary. The completed voting instruction form or other written instructions must then be returned in accordance with the instructions on the form.

If you receive a voting instruction form from Odyssey or Broadridge, you cannot use it to vote Common Shares directly at the Meeting. The voting instruction form must be completed as described above and returned in accordance with its instructions well in advance of the Meeting in order to have the Common Shares voted.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

No person has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in matters to be acted upon at the Meeting other than the election of directors. For the purpose of this paragraph, “person” shall include each person: (a) who has been a director, senior officer or insider of the Company at any time since the commencement of the Company’s last fiscal year; (b) who is a proposed nominee for election as a director of the Company; or (c) who is an associate or affiliate of a person as defined in (a) or (b).

RECORD DATE AND QUORUM

The board of directors of the Company (the “**Board**”) has fixed the record date for the Meeting as the close of business on November 1, 2019 (the “**Record Date**”). Shareholders of record as at the Record Date are entitled to receive notice of the Meeting and to vote their Common Shares at the Meeting, except to the extent that any such Shareholder transfers any Common Shares after the Record Date and the transferee of those Common Shares establishes that the transferee owns the Common Shares and demands, not less than ten (10) days before the Meeting, that the transferee’s name be included in the list of Shareholders entitled to vote at the Meeting, in which case, only such transferee shall be entitled to vote such Common Shares at the Meeting.

Under the Articles of the Company, the quorum for the transaction of business at a meeting of Shareholders is one person who is a shareholder, or who is otherwise permitted to vote shares of the Company at a meeting of shareholders pursuant to the Company’s articles, present in person or by proxy.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

On the Record Date there were 32,472,800 Common Shares issued and outstanding, with each share carrying the right to one vote. Only Shareholders of record at the close of business on the Record Date will be entitled to vote in person or by proxy at the Meeting or any adjournment or postponement thereof.

To the knowledge of the directors and executive officers of the Company, as of the date of this Information Circular, no Shareholder beneficially owns, or exercises control or direction, directly or indirectly, Common Shares carrying 10% or more of the votes attached to the Common Shares.

PARTICULARS OF MATTERS TO BE ACTED UPON

To the knowledge of the Company’s directors, the only matters to be placed before the Meeting are those set forth in the accompanying Notice of Meeting and discussed below.

If, prior to the Meeting, any vacancies occur in the slate of nominees herein listed, it is intended that discretionary authority shall be exercised by the person named in the Proxy as nominee to vote the Common Shares represented by Proxy for the election of any other person or persons as directors.

The following table sets out the names of the director nominees; their positions and offices in the Company; principal occupations; the period of time that they have been directors of the Company; and the number of Common Shares that each beneficially owns or over which control or direction is exercised.

Appointment of Auditor

Management is recommending that Shareholders vote to appoint Davidson & Company LLP (“**Davidson**”), of Suite 1200 - 609 Granville Street, Vancouver, British Columbia, as auditors of the Company until the next annual meeting of Shareholders and to authorize the directors to fix the remuneration to be paid to the auditor. The Board resolved on October 24, 2019 to appoint Davidson as auditors for the Company in place of Saturna Group Chartered Professional Accountants LLP (“**Saturna Group**”), effective as of October 24, 2019.

There have been no reportable events between the Company and Saturna Group and no modified opinions by Saturna Group for the purposes of National Instrument 51-102 *Continuous Disclosure Obligations* (“**NI 51-102**”). A “reportable event” is defined in NI 51-102 as a disagreement, a consultation or an unresolved issue with the auditors. A copy of the reporting package required by NI 51-102 with respect to the resignation of Saturna Group and the appointment of Davidson as auditor for the Company, including the Notice of Change of Auditor, a letter from Saturna Group and a letter from Davidson are attached to this Information Circular as Schedule “B”.

Approval of Stock Option Plan

At the Meeting, Shareholders of the Company will be asked to approve the continuation of the Company’s stock option plan (the “**Plan**”). The purpose of the Plan is to provide an incentive to directors, employees and consultants to acquire a proprietary interest in the Company, to continue their participation in the affairs of the Company and to increase their efforts on behalf of the Company.

The following summary of the Plan does not purport to be complete and is qualified in its entirety by reference to the Plan. A full copy of the Plan will be available at the Meeting for review by Shareholders. Shareholders may also obtain copies of the Plan from the Company prior to the Meeting on written request.

Eligible Participants. Options may be granted under the Plan to directors and officers of the Company or its subsidiaries, (collectively, the “**Directors**”), employees of the Company or its subsidiaries (collectively, the “**Employees**”) or consultants of the Company or its subsidiaries (collectively, the “**Consultants**”). The Board, in its discretion, determines which of the Directors, Employees or Consultants will be awarded options under the Plan.

Number of Shares Reserved. The number of Common Shares which may be issued pursuant to options granted under the Plan may not exceed 10% of the issued and outstanding Common Shares at the date of granting of options (including all options granted by the Company prior to the adoption of the Plan and under the Plan). Options that are exercised, cancelled or expire prior to exercise continue to be issuable under the Plan.

Exercise Price. The exercise price of any stock options granted under the Option Plan shall be determined by the Board, but may not be less than the greater of the closing market price of the Common Shares on (a) the trading day prior to the date of grant of the stock options; and (b) the date of grant of the stock options, pursuant to the policies of the Canadian Securities Exchange.

Termination. Any options granted pursuant to the Plan will terminate upon the earliest of:

- (a) the end of the term of the option;
- (b) on the date the holder ceases to be eligible to hold the option (the “**Cessation Date**”), if the Cessation Date is as a result of dismissal for cause or regulatory sanction;
- (c) one year from the date of death or disability, if the Cessation Date is as a result of death or disability;
- (d) on such other date as fixed by the Board, provided that the date is no more than 90 days from the Cessation Date, if the Cessation Date is as a result of a reason other than death, disability or cause.

Shareholders will be asked at the Meeting to approve, with or without variation, the following ordinary resolution:

“BE IT RESOLVED as an ordinary resolution THAT:

- (a) the Company’s stock option plan be approved, and that in connection therewith a maximum of 10% of the issued and outstanding Common Shares at the time of each grant be approved for granting as options; and
- (b) any director or officer of the Company be authorized and directed to do all acts and things and to execute and deliver all documents required, as in the opinion of such director or officer may be necessary or appropriate in order to give effect to this resolution.”

A copy of the Plan is available at the records office of the Company at Suite 1200 – 750 West Pender Street, Vancouver, British Columbia, Canada until the business day immediately preceding the date of the Meeting, and a copy will also be made available at the Meeting.

OTHER BUSINESS

As of the date of this Information Circular, management of the Company knows of no other matters to be acted upon at the Meeting. However, should any other matters properly come before the Meeting, the Common Shares represented by the Proxy solicited hereby will be voted on such matters in accordance with the best judgment of the persons voting the Common Shares represented by the Proxy.

EXECUTIVE COMPENSATION

For the purposes set out below a “**Named Executive Officer**” or “**NEO**” means:

- (a) the Company’s chief executive officer (“**CEO**”);
- (b) the Company’s chief financial officer (“**CFO**”);
- (c) in respect of the Company and its subsidiaries, the most highly compensated executive officer other than the CEO and the CFO, at the end of the most recently completed financial year whose total compensation was more than \$150,000 for that financial year; and

As at November 30, 2018, the end of the most recently completed financial year of the Company, the Company had two NEOs, whose names and positions held within the Company are set out in the summary compensation table below.

An NEO or director of the Company is not permitted to purchase financial instruments, including, for greater certainty, prepaid variable forward contracts, equity swaps, collars, or units of exchange funds, that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly by the NEO or director.

Employment, consulting and management agreements

Other than as disclosed herein, the Company does not have any agreement or arrangement under which compensation was provided during the most recently completed financial year or is payable in respect of services provided to the Company or any of its subsidiaries that were performed by a director or NEO, or performed by any other party but are services typically provided by a director or a NEO.

The Company entered into a management agreement with Rana Vig dated September 1, 2019, pursuant to which Mr. Vig agreed to provide management services to the Company in consideration for \$12,000 per month for a period of two years.

Oversight and Description of Director and Named Executive Officer Compensation

The objective of the Company's compensation program is to compensate the executive officers for their services to the Company at a level that is both in line with the Company's fiscal resources and competitive with companies at a similar stage of development.

The Company compensates its executive officers based on their skill, qualifications, experience level, level of responsibility involved in their position, the existing stage of development of the Company, the Company's resources, industry practice and regulatory guidelines regarding executive compensation levels.

The Board has implemented three levels of compensation to align the interests of the executive officers with those of the Shareholders. First, executive officers may be paid a monthly consulting fee or salary. Second, the Board may award executive officers long term incentives in the form of stock options. Finally, and only in special circumstances, the Board may award cash or share bonuses for exceptional performance that results in a significant increase in Shareholder value. The Company provides medical and dental benefits but it does not provide pension or other benefits to the executive officers.

The base compensation of the executive officers is reviewed and set annually by the Board. The CEO has substantial input in setting annual compensation levels. The CEO is directly responsible for the financial resources and operations of the Company. In addition, the CEO and Board from time to time determine the stock option grants to be made pursuant to the Company's stock option plan. Previous grants of stock options are taken into account when considering new grants. The Board awards bonuses at its sole discretion. The Board does not have pre-existing performance criteria or objectives.

Compensation for the most recently completed financial year should not be considered an indicator of expected compensation levels in future periods. All compensation is subject to and dependent on the Company's financial resources and prospects.

SECURITIES AUTHORIZED FOR ISSUANCE UNDER EQUITY COMPENSATION PLANS

The following table sets out information as at the end of the Company's most recently completed financial year with respect to compensation plans under which equity securities of the Company are authorized for issuance.

INDEBTEDNESS OF DIRECTORS AND EXECUTIVE OFFICERS

Since the beginning of the most recently completed financial year, none of the directors, executive officers, employees, proposed nominees for election as directors or their associates have been indebted to the Company.

INTEREST OF INFORMED PERSONS IN MATERIAL TRANSACTIONS

Other than as disclosed herein, no informed person (a director, officer or holder of 10% or more of the Common Shares) or nominee for election as a director of the Company or any associate or affiliate of any informed person or proposed director had any interest in any transaction since the commencement of the Company's most recently completed financial year or in any proposed transaction which has materially affected or would materially affect the Company or any of its subsidiaries.

Rana Vig entered into a subscription agreement with the Company on September 18, 2019, pursuant to which Mr. Vig subscribed for 300,000 common shares of the Company at a price of \$1.00 per share for gross proceeds of \$300,000.

MANAGEMENT CONTRACTS

Management functions of the Company or any of its subsidiaries are not to any substantial degree performed by anyone other than the directors or executive officers of the Company or subsidiary.

STATEMENT OF CORPORATE GOVERNANCE

Corporate Governance

Corporate governance relates to the activities of the Board, the members of which are elected by and are accountable to the Shareholders, and takes into account the role of the individual members of management who are appointed by the Board and charged with the day to day management of the Company. The Canadian Securities Administrators (“CSA”) have adopted National Policy 58-201 Corporate Governance Guidelines, which provides non-prescriptive guidelines on corporate governance practices for reporting issuers such as the Company. In addition, the CSA has implemented National Instrument 58-101 Disclosure of Corporate Governance Practices (“NI 58-101”), which prescribes certain disclosure by the Company of its corporate governance practices. This disclosure is presented below.

Board of Directors

The Board currently consists of three members, Rana Vig, Norman Brewster, and Gurdeep Bains and it is proposed that all three be nominated at the Meeting.

The Board has concluded that two directors, Norman Brewster and Gurdeep Bains are “independent” for purposes of membership on the Board, as provided in NI 58-101. Rana Vig, President and CEO, is not “independent” for the purposes of membership on the Board, as provided in NI 58-101.

The independent directors do not hold regularly scheduled meetings at which non-independent directors and members of management are not in attendance. The Board facilitates open and candid discussion among its independent directors through collective communication among its directors and management.

Other Directorships

The following table sets forth the directors of the Company who are directors of other reporting issuers:

Name	Name of other reporting issuer
Rana Vig	Fireswirl Technologies Inc. Norsemont Capital Inc. Avarone Metals Inc.
Norman Brewster	BWR Exploration Inc. Continental Precious Minerals Inc. Cadillac Ventures Inc.
Gurdeep Bains	Fireswirl Technologies Inc.

Orientation and Continuing Education

New Board members receive an orientation package which includes reports on operations and results, and any public disclosure filings by the Company, as may be applicable. Board meetings are sometimes held at the Company's offices and, from time to time, are combined with presentations by the Company's management to give the directors additional insight into the Company's business. In addition, management of the Company makes itself available for discussion with all Board members.

Ethical Business Conduct

The Board has not adopted a formal code of business conduct and ethics. The Board is of the view that the fiduciary duties placed on individual directors by the Company's governing legislation and common law together with corporate statutory restrictions on an individual director's participation in Board decisions in which the director has an interest are sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

Nomination of Directors

The Board considers its size each year when it considers the number of directors to recommend to the Shareholders for election at the annual general meeting. The Board takes in to account the number of directors required to carry out the Board's duties effectively and to maintain diversity of views and experience.

The Board has not established a nominating committee and this function is currently performed by the Board as a whole. However, if there is a change in the number of directors required by the Company, this policy will be reviewed.

Compensation

The Board has not established a formal compensation committee. Rather, the independent Board members are responsible for reviewing and determining the adequacy and form of compensation paid to the Company's executives and key employees. The independent Board members evaluate the performance of the CEO and other senior management measured against the Company's business goals and industry compensation levels.

Other Board Committees

The Board has no committees other than the audit committee.

Assessments

The Board annually, and at such other times as it deems appropriate, reviews the performance and effectiveness of the Board, the directors and its committees to determine whether changes in size, personnel or responsibilities are warranted. To assist in its review, the Board conducts informal surveys of its directors and receives a report from the audit committee respecting its effectiveness. As part of the assessments, the Board or the audit committee may review their respective mandate or charter and conduct reviews of applicable corporate policies.

AUDIT COMMITTEE

Audit Committee Disclosure

Pursuant to Section 224(1) of the *Business Corporations Act* (British Columbia) and National Instrument 52-110 of the Canadian Securities Administrators ("NI 52-110") the Company is required to have an audit committee (the "Committee") comprising not less than three directors, a majority of whom are not officers, control persons or employees of the Company or an affiliate of the Company. NI 52-110 requires the Company as a venture issuer, to disclose annually in its Information Circular certain information concerning the constitution of its audit committee and its relationship with its independent auditor, as set forth below.

The primary function of the Committee is to assist the Board in fulfilling its financial oversight responsibilities by: (i) reviewing the financial reports and other financial information provided by the Company to regulatory authorities and Shareholders; (ii) reviewing the systems for internal corporate controls which have been established by the Board and management; and (iii) overseeing the Company's financial reporting processes generally. In meeting these responsibilities the Committee monitors the financial reporting process and internal control system; reviews and appraises the work of external auditors and provides an avenue of communication between the external auditors, senior management and the Board. The Committee is also mandated to review and approve all material related party transactions.

The Audit Committee's Charter

The Company has adopted a Charter of the Audit Committee of the Board a copy of which is annexed hereto as Schedule "A".

Composition of the Audit Committee

The Committee comprises of the following members: Rana Vig, Norman Brewster, and Gurdeep Bains. Mr. Brewster and Mr. Bains are considered to be independent. In addition, each member of the Committee is considered to be financially literate as defined by NI 52-110 in that they have the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can presumably be expected to be raised by the Company's financial statements.

The members of the Committee are elected by the Board at its first meeting following the annual shareholders' meeting. Unless a chair is elected by the full Board, the members of the Committee designate a chair by a majority vote of the full Committee membership.
