

## **Isodiol International Inc. Adds Andrew S. Alvis to its Board of Directors and Appointed Chairman of Audit Committee**

**May 13, 2020 – Vancouver, BC** – Isodiol International Inc. (CSE: ISOL) (OTCQB: ISOLF) (FSE: LB6B.F) (the “**Company**” or “**Isodiol**”), today announces the addition of its current President, Andrew Stanton Alvis, to its growing Board of Directors and appointed Chairman of the Audit Committee.

Mr. Alvis brings to Isodiol and its board of directors his extensive experience in all aspects of leadership, strategy, operational efficiency, and revenue growth. Mr. Alvis possesses a background that spans across multiple industries, with an overall vast knowledge of foreign finance and accounting, including audit and compliance processes. During his time with *Attila Management as Chief Financial Officer, Toyota Financial Services, as National Manager, Data Strategy Executive and Bank of America as SVP, Senior Finance Executive*, he has proven success in driving organizational change to achieve profitable growth while maintaining expenses through creative business solutions.

Alvis sees his appointment to the board as a great opportunity: "I'm excited to be a member of an Isodiol board focused on growth and expansion while ensuring all appropriate business and financial controls are implemented and audited accordingly. I look forward to continuing to help the company move forward in my additional capacity as a board member."

Isodiol International Inc. continues to add key components and various industry experts like Mr. Alvis to bolster its efforts in becoming a true leader in the innovation-focused manufacturing and distribution of CBD related products.

“We are proud to have Mr. Alvis join the Board of Directors for Isodiol International Inc. We are confident that his previous experience and business acumen will help continue to add value to the company.” Agramont continues with “Mr. Alvis will be instrumental in restructuring the organization to meet both customer and shareholder expectations by driving efficient operations & scalable revenue opportunities by focusing on adding value to the bottom line of the company.
