Ray Gibson is pleased to report that the company's story consistently wins [audiences](#). “It’s an easy concept to pitch, and I must admit the excitement of watching the “light bulb moment” when an audience grasps what we are doing isn’t getting any less electrifying for us. The HRD Summit is a big deal for us and we will have both our UK based sales representatives along to support our efforts. Fresh from our sales summit in Amsterdam earlier this morning, they will be keen to develop leads and new business from industry contacts. It’s this kind of industry networking that has delivered significant momentum for us already, and our continued efforts are propelling us forward.
