

DigiMax Capital Enters Collaboration Agreement With Entoro Capital

FOR IMMEDIATE RELEASE

Toronto, Ontario – July 15, 2019 (Access Wire) **DIGIMAX GLOBAL SOLUTIONS** (CSE:DIGI) (the "**Company**" or "**DigiMax**") is pleased to announce that its wholly owned subsidiary, **DIGIMAX CAPITAL CORP.** ("**DigiMax Capital**") has entered into a Broker-Dealer Collaboration Agreement with Entoro Capital.

Based in Houston, Texas, under the leadership of James C. Row, Entoro has established itself as a leader in the digital financial instruments (DFI) space. Although Entoro has a team working across many industries, its core experience lies in the energy sector, in the Texan homeland of oil and gas. Entoro is working toward offering a vertically integrated broker-dealer service complete with technical solutions and an ATS.

Entoro and DigiMax are currently co-advising on behalf of a North American issuer of a digital security.

Entoro and DigiMax have agreed to collaborate with each other to leverage off of the USA strength of Entoro and the global strength of DigiMax. In addition to working on joint business, there are also numerous referral opportunities between the two companies that can be managed for the benefit of each other's clients.

"We are excited to be partnering with Entoro to assist one another in advising and funding our collective issuer clients," said DigiMax CEO, Chris Carl. "We believe that Entoro is the definitive leader in providing proper advisory services for issuers of digital securities in the United States and this is the kind of highly diligent and compliance-oriented company that DigiMax seeks to partner with. We believe there are many synergies to be gained for each of our companies from this formal collaboration with most of these benefits accruing to our clients."

"We view DigiMax as a global leader in bringing awareness of the importance of regulatory compliance to every step in the process of companies issuing digital securities and we are impressed with the global brand that DigiMax has built. We see a great deal of

opportunity for both of our companies to accelerate as a result of this collaboration agreement. We have a high appreciation of the professional level of conduct by DigiMax from our observations working with them on our first client together,” said James C. Row, Managing Partner of Entoro Capital.

Cautionary Note Regarding Forward-looking Statements

NEITHER THE CANADIAN SECURITIES EXCHANGE, NOR THEIR REGULATIONS SERVICES PROVIDERS HAVE REVIEWED OR ACCEPT RESPONSIBILITY FOR THE ADEQUACY OR ACCURACY OF THIS RELEASE

This press release contains "forward-looking statements". Forward-looking statements can be identified by words such as: anticipate, intend, plan, goal, seek, believe, project, estimate, expect, strategy, future, likely, may, should, will and similar references to future periods. Examples of forward-looking statements include, among others, statements we make regarding changing the Company's name.

Forward-looking statements are neither historical facts nor assurances of future performance. Instead, they are based only on our current beliefs, expectations and assumptions regarding the future of our business, future plans and strategies, projections, anticipated events and trends, the economy and other future conditions. Because forward-looking statements relate to the future, they are subject to inherent uncertainties, risks and changes in circumstances that are difficult to predict and many of which are outside of our control. Our actual results and financial condition may differ materially from those indicated in the forward-looking statements. Therefore, you should not rely on any of these forward-looking statements. Important factors that could cause our actual results and financial condition to differ materially from those indicated in the forward-looking statements include, among others, the following: shareholders approving the change of name to DigiMax, the adequacy of our cash flow and earnings, the availability of future financing and/or credit, and other conditions which may affect our ability to expand the App Platform described herein, the level of demand and financial performance of the cryptocurrency industry, developments and changes in laws and regulations, including increased regulation of the cryptocurrency industry through legislative action and revised rules and standards applied by the Canadian Securities Administrators, Ontario Securities Commission, and/or other similar regulatory bodies in other jurisdictions, disruptions to our technology network including computer systems, software and cloud data, or other disruptions of our operating systems, structures or equipment.

Any forward-looking statement made by us in this press release is based only on information currently available to us and speaks only as of the date on which it is made. Except as required by applicable securities laws, we undertake no obligation to publicly update any forward-looking statement, whether written or oral, that may be made from time to time, whether as a result of new information, future developments or otherwise.
