Khot Announces Name Change, New Stock Symbol and Share Consolidation

Tortola, British Virgin Islands - Khot Infrastructure Holdings, Ltd. (the "Company") (CSE: KOT) is pleased to announce that it has implemented the previously-announced name change to "Blockchain Holdings Ltd." (the "Name Change") and the consolidation of its common shares (the "Shares") on the basis of one post-consolidated Share for every ten pre-consolidated Shares (the "Consolidation"). The Name Change and the Consolidation were approved by special resolutions of the Company's shareholders (the "Shareholders") at the annual general and special meeting of Shareholders held on April 9, 2018.

The Name Change, Consolidation, and change of business, among other things, approved by the Shareholders at the meeting constitute a "fundamental change" of the Company within the meaning of the policies of the Canadian Securities Exchange. The Company has reserved the symbol "BCX" with the Canadian Securities Exchange and once all final conditions of the Canadian Securities Exchange have been satisfied, expects its shares to resume trading under the symbol "BCX". At that time, a listing statement describing the Company, as well as the Name Change, Consolidation, and change of business, among other things, which has been prepared in accordance with the policies of the Canadian Securities Exchange, will be available on SEDAR at www.sedar.com.

Letters of transmittal have been mailed to all registered Shareholders. All registered Shareholders who submit a duly completed letter of transmittal along with their respective Share certificate(s) representing pre-Consolidation Shares to the Corporation's transfer agent, Computershare Investor Services Inc. ("Computershare"), will receive share certificates representing their post-Consolidation Shares. Until so surrendered, each share certificate representing pre-Consolidation Shares will represent the number of whole post-Consolidation Shares to which the holder is entitled as a result of the Consolidation. Shareholders holding their Shares through a bank, broker or other nominee should note that banks, brokers or other nominees may have different procedures for processing the Consolidation than those put in place by the Company and Computershare. Such Shareholders having any questions in this regard are encouraged to contact their nominee.

Following completion of the Consolidation, Private Placement and debt conversion, the outstanding share capital of the Company will be approximately 17,813,282 common shares (post Consolidated) on a non-diluted basis. No fractional shares will be issued upon the Consolidation of the Shares. If as a result of the Consolidation a shareholder would otherwise become entitled to a fractional Share, such fraction will be rounded down to the nearest whole number.

Further details regarding the Name Change and Consolidation are set forth in the Company's Management Proxy Circular dated March 9, 2018, which was filed on SEDAR at www.sedar.com.
