

Kontrol Energy's operating subsidiary ORTECH receives \$565,000 order from Global Cement Company

TORONTO, May 16, 2019 / ACCESSWIRE - Kontrol Energy Corp. ([CSE: KNR](#), [OTCQB: KNRLF](#), [FSE:1K8](#)) ("Kontrol" or "Company") is pleased to announce that its leading emission compliance operating subsidiary, ORTECH Consulting Inc. ("ORTECH"), has received a \$565,000 order from a global cement company. The order is for emission compliance services for the 2019 year.

"This represents a significant increase in services to an existing customer that includes annual recurring revenue for ORTECH," said Paul Ghezzi, CEO Kontrol Energy. "Expanding our services and technology solutions within our existing customer base is an area of strategic focus for the Company. This organic growth further demonstrates to the market that Kontrol offers its clients an exceptional suite of services to help optimize their operations."

For industry competitive purposes the global cement company will not be disclosed.

"We see additional opportunities, as part of our [Smart Factory strategic partnership with Toyota Tsusho](#), announced on March 25th, 2019. We anticipate robust growth in our emission compliance and measurement revenues as the customer Factory portfolio is expanded," continued Paul Ghezzi.

According to MarketsandMarkets Research, the emission monitoring systems market is estimated to reach US \$4.44 Billion by 2025 from US \$2.39 Billion in 2018, at a CAGR of 9.3% between 2018 and 2025. Factors that are driving the emission monitoring systems market include stringent legal and environmental regulations, increased awareness about environmental protection, increasing health and safety issues, and growing use of oil & gas and petrochemicals. www.marketsandmarkets.com
