**Laguna Blends Announces the Addition of Marcos Agramont as Chief Operating Officer**

**March 28, 2017 - Vancouver, British Columbia - Laguna Blends Inc. (CSE: LAG) (OTC: LAGBF) (Frankfurt: LB6A.F) (the "Company" or "Laguna")** is pleased to announce that it has appointed Marcos Agramont as its Chief Operating Officer (COO) effective immediately.

Mr. Agramont has been a leading innovator in the Cannabis Industry for the last five years developing products for domestic and international channels. He has pioneered delivery systems, regulations and processes for major brands in order to meet safety standards and compliance. He was instrumental in implementing innovative delivery apparatuses with concise servings, at a time when no accurate measuring of dosage for general usage existed.

Mr. Grimm, Laguna's CEO and President stated: "We are very excited to add Mr. Agramont's pedigree and experience to our executive management team. As part of our growth stage ahead, we will continue to reinforce our management team with industry leaders who add substantial credibility to the Company. Mr. Agramont will be an instrumental part in expanding Laguna Blends' international presence in multiple key pharmaceutical and supplements categories."

Mr. Agramont has helped introduce CBD to the pharmaceutical global markets including Japan, Latin America, the European Union and Australia. He intends to make a continued contribution to the industry by joining Laguna Blends and will help bring the Company and its family of brands to the forefront of Cannabis Bioscience and CBD Pharmaceuticals.

The Company also announces that it has granted stock options to directors and officers to purchase up to 1,400,000 common shares at $0.16 per share for a two year period.

**About Laguna Blends Inc.**

Laguna Blends is located in Vancouver, British Columbia and Escondido, California and is focused on drug development of topical products containing CBD and THCV as the active pharmaceutical ingredient. Laguna is also engaged in the development, marketing and sales of hemp derived phytocannabinoid consumer products.

Lagunas' growth strategy includes acquiring and incubating companies that formulate and/or manufacture hemp derived products and cannabis based pharmaceuticals. Laguna is currently seeking joint ventures and acquisitions to expand its portfolio.
