Liht Cannabis Corp. Begins Perpetual Harvest in Las Vegas, Nevada

Liht Cannabis Corp. (CSE: LIHT) (OTCQX: LIHTF) or the “Company”) is pleased to report to its shareholders the preliminary results of its first harvest in Las Vegas, Nevada.

On February 6th, 2019, the Company began to harvest the first of its six cultivation rooms, commencing a perpetual weekly harvest cycle, which will continue to March 6th, 2019.

Room One, comprised of popular strains such as Bubba Kush, Moonshine Ghost Train Haze, Amherst Sour Diesel, Skywalker and Lemon Skunk has produced 200 lbs of wet flower. Drying and curing is in progress and samples of 5 lbs lots of each strain will be sent for mandatory testing to meet the State of Nevada’s regulations before distribution. Visit our website to view production in progress <https://lihtcannabis.com/las-vegas-nevada/>

The harvest has produced premium flower which will be packaged and sold as top-shelf product to Las Vegas Dispensaries this March. All of our packaging will bear certification symbols, verifying that we are using only organic materials and the best management practices thereby instilling consumer confidence in our brand.

Semi-annually the State of Nevada Department of Taxation establishes Fair Market Value of Wholesale Retail Marijuana. The current median rate for wholesale flower is \$2,303 per pound. Top-shelf cannabis is on record for wholesale prices for up to \$4,000 per pound.

The Department determines the Fair Market Value at Wholesale of retail marijuana. Pursuant to permanent regulation LCB File No. R092-17, Fair Market Value is defined as, the value established by the Nevada Department of Taxation, based on the price that a buyer would pay to a seller, in an arm's length transaction for marijuana in the wholesale market. "We are so proud of our US team of cultivators and Director of Operations who have worked tirelessly to get us into production and soon into stores!" Linda Sampson, President and COO

"We are pleased to finally harvest our first crop here in Nevada. Our team has put a lot of effort into getting us to this critical point in our operational path, and we are very happy with the results. As we begin to settle into our perpetual harvesting cycles, we expect big results from our dedication to craft cannabis." Kurt Keating, Director of Operations

FORWARD - LOOKING STATEMENTS:

Certain statements in this release are forward-looking statements, which includes, the expected outcomes of its business, and other matters. Forward-looking statements consist of statements that are not purely historical, including any statements regarding beliefs, plans, expectations or intentions regarding the future. Such information can generally be identified by the use of forwarding looking wording such as "may", "expect", "estimate", "anticipate", "intend", "believe" and "continue" or the negative thereof or similar variations. Readers are cautioned not to place undue reliance on forward-looking statements, as there can be no assurance that the plans, intentions or expectations upon which they are based will occur. By their nature, forward-looking statements involve numerous assumptions, known and unknown risks and uncertainties, both general and specific, that contribute to the possibility that the predictions, estimates, forecasts, projections and

other forward-looking statements will not occur. Forward-looking statements are necessarily based upon a number of factors that, if untrue, could cause the actual results, performances or achievements of the Company to be materially different from future results, performances or achievements expressed or implied by such statements. These assumptions, risks and uncertainties include, among other things, the state of the economy in general and capital markets in particular, present and future business strategies, the environment in which the Company will operate in the future, and other factors, many of which are beyond the control of the Company. While such estimates and assumptions are considered reasonable by the management of the Company, they are inherently subject to significant business, economic, competitive and regulatory uncertainties and risks.

Forward-looking statements are subject to a variety of risks and uncertainties, which could cause actual events, level of activity, performance or results to differ materially from those reflected in the forward-looking statements, including, without limitation: that laws and regulations may become more onerous; the ability of the Company to obtain necessary financing; the economy generally; the future growth, results of operations, performance and business prospects and opportunities; changes in and the effect of government policies; demand for products; competition; anticipated and unanticipated costs; reliance on management; claims and legal proceedings; conflicts of interest; and market price and volatility of the Common Shares. Factors that could cause actual results to differ materially from those in forward-looking statements include, but are not limited to, continued availability of capital and financing and general economic, market or business conditions, the loss of key directors, employees, advisors or consultants, technology failures, failure to obtain a license from Health Canada or from other government agencies, failure to develop new and innovative products, failure of counterparties to perform their contractual obligations and fees charged by service providers. Important factors that

could cause actual results to differ materially from the Company's expectations include, litigation, global economic climate, loss of key employees and consultants, additional funding requirements, changes in laws, competition, and failure of counterparties to perform their contractual obligations. Forward-looking statements contained in this news release are expressly qualified by this cautionary statement. Investors are cautioned that forward-looking statements are not guarantees of future performance or events and, accordingly are cautioned not to put undue reliance on forward-looking statements due to the inherent uncertainty of such statements.

The forward-looking statements contained in this news release are made as of the date of this news release. Except as required by law, the Company disclaims any intention and assumes no obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise. Additionally, the Company undertakes no obligation to comment on the expectations of, or statements made by, third parties in respect of the matters discussed above.
