

LOBE SCIENCES APPOINTS GILBERTO JESÚS MENDOZA PRESIDENT OF THE WORLD BOXING ASSOCIATION TO ADVISORY BOARD

July 13, 2021 Vancouver, British Columbia – Lobe Sciences Ltd. ("**Lobe**" or the "**Company**") (CSE: LOBE) (OTC Pink: GTSIF) is pleased to announce the appointment of Gilberto Jesús Mendoza, President of the World Boxing Association, to its Advisory Board.

Philip Young, CEO and Director of Lobe stated, "We are privileged to welcome Gilberto to our Advisory Board and the Lobe family. We all take the maintenance and treatment to improve brain and mental health as a priority. I look forward to working with Gilberto to design programs to improve outcomes of all people suffering from mTBI, PTSD and other mental health issues."

Gilberto Jesús Mendoza is currently the President of the World Boxing Association. Mr. Mendoza began his career as a lawyer and an engineer and has been working with the WBA since 2015. His priority has always been to give opportunities to the most vulnerable regions of the world. He has spent time in close contact with athletes since he was a child and has actively participated in the intention to rescue amateur boxing. Mr. Mendoza is the proud creator of "Un Solo Boxeo" (Only One Boxing), a program that promotes the integration of professional boxing. He also created the Future WBA Champion, a project that has given space to thousands of boxers in their preparation stage for the Tokyo Olympic Games. Mr. Mendoza's goal is the growth and development of boxing, as well as its adaptation to change.

Gilberto Jesús Mendoza stated, "I look forward to joining the team at Lobe Sciences as they are in a very exciting industry focusing on brain and mental health that affects millions of people."

Disclaimer for Forward Looking Statements

This news release contains forward-looking statements relating to the future operations of the Company and other statements that are not historical facts. Forward-looking statements are often identified by terms such as "will", "may", "should", "anticipate", "expects" and similar expressions. All statements other than statements of historical fact included in this release, including statements regarding the future plans and objectives of the Company, progression with nasal mist device engineering and commercialization, the pursuit of M&A initiatives, development of effective delivery methods and commercialization potential of the nasal mist device, research and development using NAC and psilocybin and growth of the business, are forward looking statements that involve risks and uncertainties. There can be no assurance that such statements will prove to be accurate, and actual results and future events could differ materially from those anticipated in such statements. Important factors that could cause actual results to differ materially from the Company's expectations are risks detailed from time to time in the filings made by the Company with securities regulations. Readers are cautioned that assumptions used in the preparation of the forward-looking statements may prove to be incorrect. Events or circumstances may cause actual results to differ materially from those predicted, as a result of numerous known and unknown risks, uncertainties, and other factors, many of which are beyond the control of the Company, including changes to the regulatory environment; and that the current Board and management may not be able to attain the Company's corporate goals and objectives. As a result, the Company cannot guarantee that any forward-looking statement will materialize and the reader is cautioned not to place undue reliance on any forward-looking information. Forward-looking statements contained in this news release are expressly qualified by this cautionary statement. The forward-looking statements contained in this news release are made only as of the date of this news release and the Company does not intend to update any of the included forward-looking statements except as expressly required by applicable Canadian securities laws.
