Dear Sirs/Mesdames:

**Re: Northern Sphere Mining Corp. (the "Company") – Correction to September 21, 2018 Private Placement of 1,800,000 Units and Debt Conversion of \$333,692.08 into 4,171,151 Common Shares**

With respect to the private placement of 1,800,000 units of the Company at a price of \$0.08 per unit, with each unit comprised of one common share and one common share purchase warrant and the conversion of debt in the amount of \$333,692.08 into 4,171,151 common shares of the Company at a price of \$0.08 per share, the Company wishes to make a correction in the September 21, 2018 confirmation to the Canadian Securities Exchange regarding receipt of cash proceeds of \$144,000.

The Company confirms that while \$94,000 of these funds were indeed received, \$50,000 of the total of \$144,000 funds quoted in the confirmation resulted in insufficient funds ("NSF"). The Company did not release the share and warrant certificates associated with this \$50,000 subscription and will be seeking a cancelation of these certificates.

The Company intends to release its financial statements for the three and nine months ended September 30, 2018 with the correct information relating to the actual cash received and valid shares and warrants issued

Yours truly,

**NORTHERN SPHERE MINING CORP.**
