

FORM 7

MONTHLY PROGRESS REPORT

Name of Listed Issuer: **Li-Metal Corp. (the “Issuer” or the “Company”).**

Trading Symbol: **LIM**

Number of Outstanding Listed Securities: **159,328,828**

Date: **April 5, 2024 (For the month of March 2024)**

This Monthly Progress Report must be posted before the opening of trading on the fifth trading day of each month. This report is not intended to replace the Issuer’s obligation to separately report material information forthwith upon the information becoming known to management or to post the forms required by Exchange Policies. If material information became known and was reported during the preceding month to which this report relates, this report should refer to the material information, the news release date and the posting date on the Exchange website.

This report is intended to keep investors and the market informed of the Issuer’s ongoing business and management activities that occurred during the preceding month. Do not discuss goals or future plans unless they have crystallized to the point that they are "material information" as defined in the Policies. The discussion in this report must be factual, balanced and non-promotional.

General Instructions

- (a) Prepare this Monthly Progress Report using the format set out below. The sequence of questions must not be altered nor should questions be omitted or left unanswered. The answers to the items must be in narrative form. State when the answer to any item is negative or not applicable to the Issuer. The title to each item must precede the answer.
- (b) The term “Issuer” includes the Issuer and any of its subsidiaries.
- (c) Terms used and not defined in this form are defined or interpreted in Policy 1 – Interpretation and General Provisions.

Report on Business

1. Provide a general overview and discussion of the development of the Issuer’s business and operations over the previous month. Where the Issuer was inactive disclose this fact.

A. Position Li-Metal as the preferred anode partner to next-gen battery developers and OEMs

The Company continues to make progress on this initiative having demonstrated its ability to leverage its roll-to-roll physical vapour

depiction (PVD) anode technology and PVD equipment to produce its second-generation products at pilot scale.

B. Scale-up our modular metal production and scrap reprocessing process

The Company continues to make progress with this initiative Li-Metal is developing specialty lithium alloy ingots to address the demand for next-generation lithium metal anodes. Li-Metal continues to optimize its metal production and scrap reprocessing process by running extensive production/test campaigns.

2. Describe and provide details of any new products or services developed or offered. For resource companies, provide details of new drilling, exploration or production programs and acquisitions of any new properties and attach any mineral or oil and gas or other reports required under Ontario securities law.

Not applicable.

3. Describe and provide details of any products or services that were discontinued. For resource companies, provide details of any drilling, exploration or production programs that have been amended or abandoned.

Not applicable.

4. Describe any new business relationships entered into between the Issuer, the Issuer's affiliates or third parties including contracts to supply products or services, joint venture agreements and licensing agreements etc. State whether the relationship is with a Related Person of the Issuer and provide details of the relationship.

Not applicable

5. Describe the expiry or termination of any contracts or agreements between the Issuer, the Issuer's affiliates or third parties or cancellation of any financing arrangements that have been previously announced.

Not applicable.

6. Describe any acquisitions by the Issuer or dispositions of the Issuer's assets that occurred during the preceding month. Provide details of the nature of the assets acquired or disposed of and provide details of the consideration paid or payable together with a schedule of payments if applicable, and of any valuation. State how the consideration was determined and whether the acquisition was from or the disposition was to a Related Person of the Issuer and provide details of the relationship.

Not applicable.

7. Describe the acquisition of new customers or loss of customers.

Not applicable.

8. Describe any new developments or effects on intangible products such as brand names, circulation lists, copyrights, franchises, licenses, patents, software, subscription lists and trade-marks.

Not applicable.

9. Report on any employee hirings, terminations or lay-offs with details of anticipated length of lay-offs.

There was 1 voluntary termination in the Canadian Operations.

10. Report on any labour disputes and resolutions of those disputes if applicable.

Not applicable.

11. Describe and provide details of legal proceedings to which the Issuer became a party, including the name of the court or agency, the date instituted, the principal parties to the proceedings, the nature of the claim, the amount claimed, if any, if the proceedings are being contested, and the present status of the proceedings.

Not applicable.

12. Provide details of any indebtedness incurred or repaid by the Issuer together with the terms of such indebtedness.

Not applicable.

13. Provide details of any securities issued and options or warrants granted.

Not applicable.

14. Provide details of any loans to or by Related Persons.

Not applicable.

15. Provide details of any changes in directors, officers or committee members.

Not applicable.

16. Discuss any trends which are likely to impact the Issuer including trends in the Issuer's market(s) or political/regulatory trends.

The Company's business may be affected by changes in political and market conditions, such as interest rates, availability of credit, inflation rates, changes in laws, and national and international circumstances. Recent geopolitical events, including, the relations between NATO and Russian Federation regarding the situation in Ukraine, and potential economic global challenges such as the risk of the higher inflation and energy crises, may create further uncertainty and risk with respect to the prospects of the Company's business and may make it more difficult for it to raise equity or debt financing or obtain the necessary goods and services that the company requires for its operations, in a timely fashion. There can be no assurance that the Company will not be impacted by adverse consequences that may be brought about on its business, results of operations, financial position and cash flows in the future.

Certificate Of Compliance
