

FORM 7

MONTHLY PROGRESS REPORT

Name of Listed Issuer: **Libra Energy Materials Inc.** (the "Issuer" or the "Company").

Trading Symbol: **CSE: LIBR**

Number of Outstanding Listed Securities (March 31, 2026): **67,579,598 Common Shares**

Date: **April 8, 2026**

This Monthly Progress Report must be posted before the opening of trading on the fifth trading day of each month. This report is not intended to replace the Issuer's obligation to separately report material information forthwith upon the information becoming known to management or to post the forms required by Exchange Policies. If material information became known and was reported during the preceding month to which this report relates, this report should refer to the material information, the news release date and the posting date on the Exchange website.

This report is intended to keep investors and the market informed of the Issuer's ongoing business and management activities that occurred during the preceding month. Do not discuss goals or future plans unless they have crystallized to the point that they are "material information" as defined in the Policies. The discussion in this report must be factual, balanced and non-promotional.

General Instructions

- (a) Prepare this Monthly Progress Report using the format set out below. The sequence of questions must not be altered nor should questions be omitted or left unanswered. The answers to the items must be in narrative form. State when the answer to any item is negative or not applicable to the Issuer. The title to each item must precede the answer.
- (b) The term "Issuer" includes the Issuer and any of its subsidiaries.

Terms used and not defined in this form are defined or interpreted in Policy 1 – Interpretation and General Provisions

Report on Business

- 1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.

On March 16, 2026, the Issuer announced the commencement of its maiden auger drilling program at its 100%-owned Penelope Project ("Penelope"), in Minas Gerais, Brazil. The initial phase will focus on the high-priority Elena and Gaia rare earth element ("REE") targets, where precious sampling returned grades of up to 3103 ppm total REEs (see the Issuer's press release dated February 26, 2026).

- 2. Provide a general overview and discussion of the activities of management.

Management continued to support and control the Issuer's business activities and develop the Issuer's business.
