Trading Symbol: **MCL**

Number of Outstanding Listed Securities: **46,835,511**

Date: **January 4th, 2018**

This Monthly Progress Report must be posted before the opening of trading on the fifth trading day of each month. This report is not intended to replace the Issuer’s obligation to separately report material information forthwith upon the information becoming known to management or to post the forms required by Exchange Policies. If material information became known and was reported during the preceding month to which this report relates, this report should refer to the material information, the news release date and the posting date on the Exchange website.

This report is intended to keep investors and the market informed of the Issuer’s ongoing business and management activities that occurred during the preceding month. Do not discuss goals or future plans unless they have crystallized to the point that they are "material information" as defined in the Policies. The discussion in this report must be factual, balanced and non-promotional.

McLaren Resources Inc. (“McLaren” or the “Company”) has closed a non-brokered private placement financing of \$350,000. The financing consists of flow-through share units in the amount of \$310,000 and common share units in the amount of \$40,000 for aggregated gross proceeds of \$350,000.

The Company has issued a total of 3,100,000 flow-through share units at a price of \$0.10 per unit and 400,000 common share units at a price of \$0.10 per unit. Each flow-through unit consists of a common share issued on a flow-through basis pursuant to the Income Tax Act (Canada) and one-half of a common share purchase warrant with each whole warrant exercisable at a price of \$0.15 per common share for a period of 18 months from the date of issuance. Each common share unit consists of one common share and one common share purchase warrant which entitles the holder to purchase one common share in the capital of the Company at an exercise price of \$0.15 per share for a period of 18 months from the date of issuance.

Gross proceeds from the flow-through units will be used by the Company for exploration expenditures on its gold properties located in the Timmins Gold District in Northern Ontario. Gross proceeds from the common share units will be used for general corporate purposes.

In connection with the financing, McLaren paid finder’s fees consisting of \$9,100 in cash and \$15,400 by way of issuance of 154,000 common shares at a value of \$0.10 per share to qualified registrants. As a result of the financing, Accilent Capital Management Inc., a principal shareholder of the Company, as a finder and also a subscriber of flow-through share units through its affiliate Pavilion Flow-Through LP, has increased its direct and indirect holding of the voting securities of the Company from 7,076,730 shares to 9,312,730 shares which represents 20% of the shares outstanding, and additionally has increased the number of warrants held from 3,189,000 to 4,289,000 warrants, which if fully exercised, would result in a 26% interest in the Company on a fully diluted basis.

The Company has also issued 500,000 common shares at a deemed price of \$0.10 per share for \$50,000 of services to the Company by several service providers.

15. Provide details of any loans to or by Related Persons.
