MONTHLY PROGRESS REPORT

Name of Listed Issuer: MGX Minerals Inc. (the "Issuer")

Trading Symbol: XMG

Number of Outstanding Listed Securities: 140,385,960

Date: May 12, 2020

This Monthly Progress Report must be posted before the opening of trading on the fifth trading day of each month. This report is not intended to replace the Issuer's obligation to separately report material information forthwith upon the information becoming known to management or to post the forms required by Exchange Policies. If material information became known and was reported during the preceding month to which this report relates, this report should refer to the material information, the news release date and the posting date on the Exchange website.

This report is intended to keep investors and the market informed of the Issuer's ongoing business and management activities that occurred during the preceding month. Do not discuss goals or future plans unless they have crystallized to the point that they are "material information" as defined in the Policies. The discussion in this report must be factual, balanced and non-promotional.

General Instructions

- (a) Prepare this Monthly Progress Report using the format set out below. The sequence of questions must not be altered nor should questions be omitted or left unanswered. The answers to the items must be in narrative form. State when the answer to any item is negative or not applicable to the Issuer. The title to each item must precede the answer.
- (b) The term "Issuer" includes the Issuer and any of its subsidiaries.
- (c) Terms used and not defined in this form are defined or interpreted in Policy 1 – Interpretation and General Provisions.

Report on Business

1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.

The Issuer's management team has remained focused on its objectives and operational goals to develop its lithium brine extraction technology which recovers previously unattainable lithium in produced water from hydraulic fracturing, conventional oil and oil sands production, geothermal brine and other lithium-rich wastewaters. Additionally, management is continuing its

efforts to raise market awareness and value through research and development and other shareholder outreach initiatives. The Issuer's management also continue to seek new revenue streams and opportunities to develop and increase the stakeholder's value and profitability of the Issuer.

On March 6, 2020, a group of shareholders of the Issuer requisitioned an annual general meeting of shareholders of the Issuer for the purpose of replacing the board of directors. In response to the requisition, the board of directors of the Issuer called a meeting of the Issuer's shareholders to take place on June 30, 2020.

2. Provide a general overview and discussion of the activities of management.

See Item 1 above.

An arbitration award was awarded in favour of Dawson Geophysics Inc. for the total sum of \$773,426.29 USD. The Issuer's defense largely rested on its reliance on the operator of its Utah Petrolithium property to properly manage the project and alleged that the Issuer only became aware of the excessive work planned on the project after the period that became the subject of litigation. The Issuer plans to appeal the arbitration award and, failing that, intends to commence litigation against the operator.

13. Provide details of any indebtedness incurred or repaid by the Issuer together with the terms of such indebtedness.

The Issuer was issued a notice of payment by the Canadian Revenue Agency of approximately \$517,036.21 related to an incomplete flow through exploration expenditures. The failure to acquire a permit to drill, as anticipated but now issued, at its Driftwood Creek Magnesium project prior to December 31, 2018 was the primary reason for this liability. The Issuer announced that it expected to meet this obligation shortly, with recently announced transactions expected to net the Issuer \$2.1 million.

On March 11, 2020, the Issuer announced that it had settled debt owed by MGX Renewables dba Zinc8 Energy Solutions Inc. ("Zinc8"). Zinc8 will pay \$1,500,000 over the next 4 months. As part of the settlement, the Issuer agreed to sell to Zimtu Capital Corp. 5,500,000 shares of Zinc8 for \$550,000 that are to be held in escrow for approximately one year.

To reduce payables, the Issuer reached the following shares for debt arrangements:

- 1,808,000 common shares were issued to OCI Holdings Inc., at a price of \$0.075 per share; and
- 924,000 common shares were issued to Generation IACP Inc., at a price of \$0.075 per share.

14. Provide details of any securities issued and options or warrants granted.

Security	Number Issued	Details of Issuance	Use of Proceeds ⁽¹⁾
