

## MGX Minerals Provides Update on Management Cease Trade Order

VANCOUVER, December 17, 2022 / MGX Minerals Inc. (“MGX” or the “Company”) (CSE:XMG) (FKT:1MG) (OTC:MGXMF) announces the following updates to the Management Cease Trade Order (“**MCTO**”) issued by the British Columbia Securities Commission (“**BCSC**”) in connection with the Company’s filing of its audited annual financial statements and MD&A for the financial year ended July 31, 2021.

The Company’s new Corporate Accounting firm Westmark Tax is working with the Company’s auditor to complete the audited financial statements as soon as is practicable. The Company expects the audited financials to be completed the first half of February.

Additionally, the Company notes that:

1. The Company was required to file its July 31, 2021 audited annual financial statements, management’s discussion and analysis and the applicable CEO and CFO certifications in respect of such filings (collectively the “**Annual Filings**”) all in accordance with IFRS by November 29, 2021 (the “**Filing Deadline**”), as required pursuant to NI 51-102. The Company has not been able to complete its Annual Filings on or before the Filing Deadline.
2. The Company, along with its new Corporate Accountant and its Auditor are working diligently to prepare and file the Annual Filings. Due to recent delays, personnel change and Christmas Holidays, the Company now expects to complete its Annual Filing on or before February 15, 2022 and has sufficient resources in place to do so.
3. The Company confirms that it intends to issue a status report on a bi-weekly basis, for as long as it remains in default of the Filing Deadline in respect of the Annual Filings.

4. There is no other material information concerning the affairs of the Company that has not been disclosed.
5. The Company currently has in excess of \$1,000,000 in cash, restricted, and unrestricted securities; with all restricted securities becoming tradeable within six months or less.

The Company has imposed an insider trading blackout pending the filing of the Annual Filings, and will comply with the alternative information guidelines described in National Policy 12-203 *Management Cease Trade Orders* during such period.
