In June 2015, the Company announced that it had arranged a \$70,000,000 secured finance facility (the "Bridge Loan") structured by the Peruvian state-owned development and promotion bank, Corporación Financiera de Desarrollo S.A. ("COFIDE") and syndicated through Goldman Sachs Bank USA. The Bridge Loan was part of a senior project credit facility of up to \$240,000,000 described in a letter of mandate signed by COFIDE and Minera IRL. This senior project credit facility was to be structured by COFIDE, in conjunction with Minera IRL, to build the Ollachea Gold Project (the "Ollachea Project").

In March 2017 COFIDE terminated the letter of mandate without providing any reason for their decision. The Bridge Loan was due for repayment in June 2017.

On 20 June 2017 the Company announced it had filed a request for an arbitration against COFIDE with the Arbitration Centre of the Lima Chamber of Commerce.

On 16 September 2019 the Company announced that the Court of Arbitration had issued its Arbitration Award. The Award provided that COFIDE must pay an aggregate amount of \$34.2 million for damages. The Court of Arbitration declared that it did not have jurisdiction to require repayment of the Bridge Loan because the Bridge Loan facility expressly provides that it is subject to the jurisdiction of the

courts of New York. Subsequently, COFIDE filed a lawsuit for annulment of the Arbitration Award

On 31 December 2019 the Company signed a Memorandum of Understanding (“MOU”) with COFIDE which was extended several times until 7 November 2020. During this period both the collection of damages by the Company and the collection of the debt and/or interests by COFIDE remained suspended. The objective of the MOU was to allow both parties to reach an agreement in settlement of the obligations imposed by the Arbitration Award as well as related matters, including repayment of the Bridge Loan.

On 12 November 2020 the Company announced it had settled its dispute with COFIDE. The summary of the settlement agreement is that the Company owes COFIDE US\$70 million in principal and US\$ 31.9 million of accrued interest (calculated to 10 November 2020) and COFIDE owes the Company US\$34.2 million in principal pursuant to the September 2019 Arbitration Award, plus interest from 17 July 2017 to 10 November 2020. The amounts due and receivable will be offset and the Company will pay the net balance to COFIDE within 36 months. To guarantee the full repayment of the balance owed to COFIDE Corporate Trusts contracts will be subscribed over the Ollachea Project’s mineral concessions, over the shares of the Peruvian subsidiary Compañía Minera Kuri Kullu S.A. and over future cash flows from the same Project. COFIDE will withdraw its legal claim for annulment of the Arbitration Award once the Trust contracts are registered at the public registry.

On 24 June 2021 the Company announced that formalizing the terms agreed on 12 November, four inter-related agreements between COFIDE and the Company had been signed:

- A Cash Flow Trust Agreement, which creates a trust over the cash flows generated from the Ollachea Project to guarantee the payment obligations of the Company to COFIDE by channeling those cash flows through a revenue account to be managed by La Fiduciaria;
- An Asset Trust Agreement, which creates a trust over the shares held by the Company in its Peruvian subsidiary Compañía Minera Kuri Kullu S.A., as well as the Ollachea Project’s concessions own by the subsidiary to guarantee the payment obligations of the Company to COFIDE by transferring ownership of the securities and mortgages to La Fiduciaria in trust;
- A Refinancing of the Credit Agreement, which establishes the terms and conditions for the payment of the principal and accrued and accruing interest on the Company’s debt with COFIDE; and
- A Compensation Agreement, which establishes the terms and conditions for the payment of consequential damages to the Company by COFIDE pursuant to the September 2019 Arbitration Award, plus accrued and accruing interest.

Neither the assets of nor the cash flows generated by the Corihuarmi mine are included in these Trust Agreements

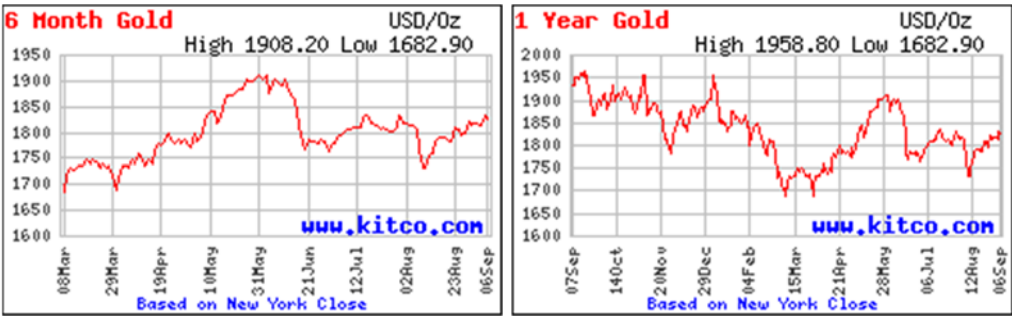

If the Company is not able to secure an alternative source of funds to repay the debt with COFIDE, the Company will have to relinquish its ownership of the subsidiary, Campaña Minera Kuri Kullu S.A. and therefore the Ollachea Project. All net assets associated with the Ollachea Project would be fully impaired as a result.
