MANAGEMENT INFORMATION CIRCULAR

SOLICITATION OF PROXIES

This management information circular (“**Information Circular**”) is furnished in connection with the solicitation by the management of Metalo Manufacturing Inc. (the “**Corporation**”) of proxies to be used at the annual general meeting (the “**Meeting**”) of holders of common shares of the Corporation, to be held on Tuesday, December 4, 2018, at 11:00 a.m. (Halifax time) at 380 Bedford Highway, Halifax, Nova Scotia, B3M 2L4 or at any adjournment(s) thereof for the purposes set out in the accompanying notice of meeting (the “**Notice of Meeting**”).

The costs incurred in the preparation and mailing of both the form of proxy and this Information Circular will be borne by the Corporation. In accordance with National Instrument 54-101 *Communications with Beneficial Owners of Securities of a Reporting Issuer*, arrangements have been made with brokerage houses and other intermediaries, clearing agencies, custodians, nominees and fiduciaries to forward solicitation materials to the beneficial owners of the common shares held of record by such persons and the Corporation may reimburse such persons for reasonable fees and disbursements incurred by them in doing so. The costs thereof will be borne by the Corporation.

In this Information Circular, unless otherwise indicated, all dollar amounts are expressed in Canadian dollars and references to “\$” are to Canadian dollars.

APPOINTMENT OF PROXYHOLDERS AND REVOCATION OF PROXIES

The persons named in the enclosed form of proxy are representatives of management of the Corporation and are directors and officers of the Corporation. **A shareholder has the right to appoint a person or corporation (who need not be a shareholder of the Corporation) other than the persons designated in the accompanying form of proxy to represent the shareholder at the Meeting. Such right may be exercised by inserting the name of such person or company in the blank space provided in the form of proxy or by completing another proper form of proxy.**

A shareholder wishing to be represented by proxy at the Meeting or any adjournment thereof must deposit his, her or its executed form of proxy with the Corporation’s transfer agent and registrar, TSX Trust Company, at 301-100 Adelaide West, Toronto, Ont. M5H 4H1 (Attention: Proxy Department), on or before 11:00 a.m. (AST) on November 30, 2018 or at least 48 hours, excluding Saturdays, Sundays and holidays, before any adjournment or postponement of the Meeting at which the proxy is to be used. A proxy submitted in paper form should be executed by the shareholder or his or her attorney duly authorized in writing or, if the shareholder is a corporation, by a duly authorized officer or attorney.

In addition to any other manner permitted by law, a proxy may be revoked, before it is exercised, by an instrument in writing executed in the same manner as a proxy and deposited to the attention of the President of the Corporation at the head office of the Corporation at any time up to 11:00 a.m. (AST) on the last business day before the day of the Meeting or any adjournment thereof at which the proxy is to be used or with the Chair of the Meeting on the day of the Meeting or any adjournment thereof and thereupon the proxy is revoked. The head office of the Corporation is located at 380 Bedford Highway, Halifax, Nova Scotia, B3M 2L4.

A shareholder attending the Meeting has the right to vote in person and, if the shareholder does so, his, her or its proxy is nullified with respect to the matters such person votes upon and any subsequent matters thereafter to be voted upon at the Meeting or any adjournment thereof.

VOTING OF PROXIES

The common shares represented by proxies appointing proxy nominees will be voted for or against or withheld from voting in accordance with the instructions of the shareholder on any ballot that may be called for and, if a shareholder specifies a choice with respect to any matter to be acted upon at the Meeting, the common shares represented by proxy shall be voted accordingly.

DISCRETIONARY AUTHORITY

If a specification is not made with respect to any matter, the proxy will confer discretionary authority and will be voted FOR each item of business. If a shareholder appointed someone else to attend the Meeting and vote on the shareholder's behalf, he or she can vote as they see fit.

ADVICE TO BENEFICIAL HOLDERS

The information set forth in this section is of significant importance to many shareholders of the Corporation as a substantial number of shareholders do not hold their common shares in their own name and thus are considered non-registered shareholders. Shareholders who do not hold their common shares in their own name (“**Beneficial Shareholders**”) should note that only proxies deposited by shareholders whose names appear on the records of the Corporation as the registered holders of common shares can be recognized and acted upon at the Meeting. If common shares are listed in an account statement provided to a shareholder by a broker then, in almost all cases, those common shares will not be registered in the shareholder's name on the records of the Corporation. Such common shares will more likely be registered under the name of the shareholder's broker or an agent of that broker or another similar entity (an “**Intermediary**”). Common shares held by an Intermediary can only be voted by the Intermediary upon the instructions of the Beneficial Shareholder. Without specific instructions, Intermediaries are prohibited from voting common shares.

Beneficial Shareholders should ensure that instructions respecting the voting of their common shares are communicated in a timely manner and in accordance with the instructions provided by their Intermediary. Applicable regulatory rules require Intermediaries to seek voting instructions from Beneficial Shareholders in advance of meetings of shareholders. Every Intermediary has its own mailing procedures and provides its own return instructions to clients, which instructions should be carefully followed by Beneficial Shareholders in order to ensure that their common shares are voted at the Meeting.

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purpose of voting common shares registered in the name of their Intermediary, a Beneficial Shareholder may attend the Meeting as proxyholder for the Intermediary and vote the common shares in that capacity. Beneficial Shareholders who wish to attend the Meeting and indirectly vote their common shares as a proxyholder should enter their own name in the blank space on the form of proxy provided to them by their Intermediary and return the same to their Intermediary in accordance with the instructions provided by their Intermediary, well in advance of the Meeting.

NON-OBJECTING BENEFICIAL HOLDERS

These Meeting materials are being sent to both registered and non-registered owners of common shares. If you are a non-registered owner and the Corporation or its agent has sent these materials directly to you, your name and address and information about your holdings of common shares have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding common shares on your behalf. By choosing to send these materials to you directly, the Corporation (and not the Intermediary) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions or form of proxy delivered to you and the accompanying Notice of Meeting are to registered shareholders unless specifically stated otherwise.

RECORD DATE

Persons registered on the common share records of the Corporation at the close of business on October 29, 2018 (the “**Record Date**”) are entitled to vote at the Meeting.

QUORUM

The by-laws of the Corporation provide two (2) persons present and each holding or representing by proxy at least five (5) percent of the shares entitled to vote at the meeting shall be a quorum.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Other than as disclosed elsewhere in this Information Circular, none of the directors or senior officers of the Corporation, no proposed nominee for election as a director of the Corporation, none of the persons who have been directors or senior officers of the Corporation since the commencement of the Corporation's last completed financial year and no associate or affiliate of any of the foregoing persons has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon at the Meeting.

STATEMENT OF CORPORATE GOVERNANCE

NI 58-101 and National Policy 58-201 – Corporate Governance Guidelines (“NP 58-201”) set out a series of guidelines for effective corporate governance. Each reporting issuer, including the Corporation, must disclose on an annual basis and in prescribed form, the corporate governance practices that it has adopted. The Corporation’s disclosure with respect to its corporate governance practices is attached to this Information Circular as Schedule “A”.

In addition, the Corporation has adopted several policies and charters, discussed briefly below, which are all available for viewing on the Corporation’s website at www.metalo.ca.

CORPORATE GOVERNANCE AND COMPENSATION COMMITTEE CHARTER

The Corporate Governance and Compensation Committee Charter has been adopted by the Board to assist the Corporate Governance and Compensation Committee and the Board in the exercise of their responsibilities, particularly by defining the scope of the Committee’s authority in respect of corporate governance, compensation and nomination.

CODE OF BUSINESS CONDUCT AND ETHICS

The Code of Business Conduct and Ethics covers a wide range of business practices and procedures. Its key focus is to provide guidelines for the ethical behavior based on the Corporation’s values, applicable laws and regulations, and corporate policies. It applies to all directors, officers, employees, consultants and other agents and representatives dealing with the Corporation. The Corporation has appointed Mr. Bert Loveless, a director and officer of the Corporation, as its Ethics Officer.

BOARD GUIDELINES

The Board is primarily responsible for supervising the management of the Corporation’s business and affairs. Its authority is determined by the provisions of the *Business Corporations Act* (Alberta) and by the Corporation’s by-laws. In addition, the Board’s activities are governed by a set of procedural rules which were adopted by the Board. The Board regularly reviews its guidelines and policies and, not less than annually, considers how its corporate governance practices align with guidelines established by the Canadian regulatory authorities having authority, including the Canadian Securities Exchange (the “CSE”).

WHISTLEBLOWER POLICY

The Corporation has a Whistleblower Policy that is intended to encourage and enable directors, officers, employees and consultants, to raise serious concerns about any wrong doing or violations or suspected violations, including those relating to accounting, internal accounting controls, questionable accounting or auditing matters, applicable laws and regulations and the Corporation’s Code of Business Conduct and Ethics. Parties with a complaint may confidentially report to Paul Allingham, an independent director of the Corporation.

DISCLOSURE, CONFIDENTIALITY AND INSIDER TRADING POLICY

The Corporation has adopted a Disclosure, Confidentiality and Insider Trading Policy to ensure consistent standards and procedures are in place for all public disclosures of both material and non-material information. The Corporation has established a Corporate Communications and Disclosure Group which is responsible for ensuring the terms of this Policy are adhered to and to periodically review its terms and make recommendations on improvement.

SUSTAINABLE DEVELOPMENT AND HEALTH, SAFETY & ENVIRONMENT POLICY

The Corporation has adopted a Sustainable Development and Health, Safety & Environmental Policy. The Corporation is committed to sustainable development by maximizing the resources mined or to be mined, pursuing opportunities to

enhance environmental, social and economic benefits, and by reducing adverse effects that may result from its undertakings. All officers, directors, employees and consultants are responsible for adherence to this Policy.

MAJORITY VOTING

Currently, director elections under the Canadian legal regime is based on a "plurality system" where shareholders vote either "for" a director or "withhold" their vote (i.e. do not vote). In a plurality system, withhold votes do not count and technically a director needs only one "for" vote to be elected to the board. The Canadian Coalition for Good Governance has recommended all issuers adopt a majority voting policy and, although not mandatory for CSE issuers, the Corporation has adopted such a policy. Its policy states, amongst other things, that any director receiving 50% + 1 withheld votes, those votes would be considered votes "against" the director and that director should tender his resignation. Once a resignation is submitted, the Corporate Governance and Compensation Committee will review any extra circumstances surrounding the voting results and make a decision whether or not to accept the resignation. The Committee's decision is made public.

APPOINTMENT AND REMUNERATION OF AUDITOR

At the Meeting, the shareholders will be called upon to approve the reappointment of PricewaterhouseCoopers LLP as auditors of the Corporation to hold office until the close of the next annual meeting of shareholders, and to authorize the Board to establish its remuneration.

The Board recommends that shareholders vote FOR the reappointment of PricewaterhouseCoopers LLP as auditor of the Corporation and the authorization of the Board to fix the remuneration of the auditor. Unless the shareholder directs that his, her or its common shares are to be withheld from voting in connection with the reappointment of the auditor, the persons named in the enclosed form of proxy will vote FOR the reappointment of PricewaterhouseCoopers LLP as auditor of the Corporation and the authorization of the Board to fix the remuneration of the auditor. A majority of the votes cast by shareholders at the Meeting is required to approve the appointment of the auditor and to authorize the directors to fix the remuneration of the auditor.

STATEMENT OF EXECUTIVE COMPENSATION

DIRECTOR AND NAMED EXECUTIVE OFFICER COMPENSATION

Securities legislation requires the disclosure of certain financial and other information relating to a reporting issuer's 'Named Executive Officers', which are defined as:

OVERSIGHT AND DESCRIPTION OF DIRECTOR AND NAMED EXECUTIVE OFFICER COMPENSATION

The Corporation has no revenues from operations and often operates with limited financial resources. As a result, to ensure that funds are available to complete scheduled programs, the Corporate Governance and Compensation Committee (discussed below) has to consider not only the financial situation of the Corporation at the time of the determination of executive compensation, but also the estimated financial condition of the Corporation in the future.

Since the preservation of cash is an important goal of the Corporation, an important element of the compensation awarded to the executive officers is the granting of stock options, which do not require cash disbursement by the Corporation. The granting of stock options also helps to align the interests of the executive with the interests of the Corporation. The other two elements of the compensation the Corporation awards to its executives are: (i) base cash consulting fees; and (ii) in applicable circumstances, cash bonus payments for achievement of stated milestones or benchmarks. The Corporation does not provide executives with perquisites or personal benefits that are not otherwise available to all of our employees.

The deliberations of the Corporate Governance and Compensation Committee are conducted in a special session from which management is absent.

These deliberations are intended to advance the key objectives of the compensation program for the Corporation’s executives. At the request of the Compensation Committee, the executives may, from time to time, provide advice to the Corporate Governance and Compensation Committee with respect to the compensation program for the Corporation’s executives. The Committee makes recommendations regarding the compensation to be awarded to the executives to the full Board of Directors.

The Corporation relies on its Corporate Governance and Compensation Committee and its Board, through discussion without any formal objectives, targets, criteria or analysis, in determining the compensation of its executives. The Board is responsible for determining all forms of compensation, including the provision of long-term incentives through the granting of stock options to the executives of the Corporation, and to others, including, without limitation, to the Corporation’s directors, and for reviewing the Corporate Governance and Compensation Committee’s recommendations regarding the compensation to be awarded to any other officers of the Corporation from time to time, to ensure such arrangements reflect the responsibilities and risks associated with each such officer’s position. The Board incorporates the

following goals when it makes its compensation decisions with respect to the Corporation’s executives: (i) the recruiting and retaining of executives who are critical both to the success of the Corporation and to the enhancement of shareholder value; (ii) the provision of fair and competitive compensation; (iii) the balancing of the interests of management with the interests of the Corporation’s shareholders; (iv) the rewarding of performance, both on an individual basis and with respect to the operations of the Corporation as a whole; and (v) the preservation of available financial resources.

The Corporation does not currently have a pension plan.
