### **About Mota Ventures Corp.**

Mota Ventures is seeking to become a vertically integrated global CBD brand. Its plan is to cultivate and extract CBD into high-quality value-added products from its Latin American operations and distribute it both domestically and internationally. Its existing operations in Colombia consist of a 2.5-hectare site that has optimal year-round growing conditions and access to all necessary infrastructure. Mota Ventures is also seeking to acquire revenue producing CBD brands and operations in both Europe and North America, with the goal of establishing an international distribution network for CBD products. Low cost production, coupled with international, direct to customer sales channels will provide the foundation for the success of Mota Ventures.
