

FORM 7

MONTHLY PROGRESS REPORT

Name of Listed Issuer: Cannvas MedTech Inc. (the "Issuer").

Trading Symbol: MTEC

Number of Outstanding Listed Securities: 43,314,461

Date: September 7, 2018

This Monthly Progress Report must be posted before the opening of trading on the fifth trading day of each month. This report is not intended to replace the Issuer's obligation to separately report material information forthwith upon the information becoming known to management or to post the forms required by Exchange Policies. If material information became known and was reported during the preceding month to which this report relates, this report should refer to the material information, the news release date and the posting date on the Exchange website.

This report is intended to keep investors and the market informed of the Issuer's ongoing business and management activities that occurred during the preceding month. Do not discuss goals or future plans unless they have crystallized to the point that they are "material information" as defined in the Policies. The discussion in this report must be factual, balanced and non-promotional.

General Instructions

- (a) Prepare this Monthly Progress Report using the format set out below. The sequence of questions must not be altered nor should questions be omitted or left unanswered. The answers to the items must be in narrative form. State when the answer to any item is negative or not applicable to the Issuer. The title to each item must precede the answer.
- (b) The term "Issuer" includes the Issuer and any of its subsidiaries.
- (c) Terms used and not defined in this form are defined or interpreted in Policy 1 – Interpretation and General Provisions.

Report on Business

1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.

See Item 2 below for a complete overview and discussion of the Issuer's activities for the month of August 2018.

2. Provide a general overview and discussion of the activities of management.

On August 1, 2018, the Issuer announced the appointment of Khavita Harrycharran and Golfo Karageorgos to the newly formed Cannvas Women of Influence Advisory Panel, a collection of individuals who bring unique knowledge and skills which augment the knowledge and skills of the formal board of directors in order to more effectively guide the organization.

The Cannvas Women of Influence will consist of key influencers and inspiring leaders from various industries and fields. The panel will enhance access and inclusion for women to fully participate in project discussions and operations for the organization based on their own experience. The group will meet on a monthly basis to review and scrutinize company projects and take on a responsible role within the Issuer's organization, and report back to the board of directors.

On August 8, 2018, the Issuer announced the completion of its Machine Learning integration milestone within the CANNVAS.ME platform, set to launch summer 2018.

As customers engage with the online Cannvas.me platform and interactions continue to increase, our Machine Learning technology is also learning from each interaction. Utilizing this proprietary form of artificial intelligence, the education platform is able to learn from user's interactions and engagement behaviour in a continuous fashion. The intelligent use of this data allows for a highly

relevant and immersive user experience that is based on each individual's unique set of behavioural data. This allows Cannvas.me to serve personalized content and educational materials from its Cannvas Academy that are tailored to the individuals cannabis journey of education.

On August 15, 2018, the Issuer announced the appointment of Elizabeth Moniz and Tom Loutskou to the newly formed Education Advisory Panel. The Education Advisory Panel will advise and set protocols for the broad educational spectrum that Cannvas.me offers to the medical cannabis industry.

On August 20, 2018, the Issuer announced that it has entered into a letter of intent (the "LOI") with CanvasRx, a wholly owned subsidiary of Aurora Cannabis Inc. operating 29 clinics across Canada, to negotiate, in good faith, a patient aggregation agreement after an exploratory period of up to six months during which the Issuer and CanvasRx agree to mutually create data models through the Cannvas.me platform suited for CanvasRx's B2B and B2C businesses.

With strong partnerships, a network of clinics, and access to, and information on hundreds of strains of medical cannabis from the top Licensed Producers in Canada, CanvasRx has developed a powerhouse of education and information for the cannabis industry. People use CanvasRx to learn about medical cannabis, find knowledgeable doctors, select strains and track their outcomes with Patient Reporting tools developed by physicians.

During the exploratory period, the Issuer will develop specific parameters within its existing Cannvas Data framework to collect data and analytics from CanvasRx and their strategic partnerships, and provide CanvasRx with access to the Cannvas.me dataset. CanvasRx will benefit from using Cannvas.me proprietary databases and algorithms to gain insights to their existing and future membership base. The two companies will work together to enhance user experiences across each respective online platform and explore ways to improve the overall education of visitors in a non-biased and independent method, including positioning the Cannvas.me educational platform within the CanvasRx chain of medical cannabis clinics.

Cannvas Data is the analytics branch of the Issuer. Its mission is to collect data from credible sources to enhance user personal data algorithms for Cannvas.me. Cannvas Data will leverage existing databases, site traffic and advanced technology for marketing purposes, and will leverage its comprehensive solution for the global cannabis community.

About CanvasRx

CanvasRx is Canada's trusted resource and marketplace that enables users to develop a better understanding of medical marijuana, its uses and the strains and licensed products available in Canada.

On August 22, 2018, the Issuer announced that it has entered into a revenue share partnership agreement (the "Agreement") with Namaste Technologies Inc. ("Namaste") whereby the two companies will share revenue generated through co-branding and marketing efforts between Namaste's medical cannabis patient portal, NamasteMD and the Cannvas.me cannabis education platform.

Under the terms of the Agreement, the Issuer and Namaste will build and deploy technologies driving customer integration and value-added services between company platforms. Both organizations will continue to explore other avenues to expand the partnership and enhance user experiences across their respective platforms.

Namaste is the world's largest and most comprehensive cannabis-focused e-commerce platform with 32 sites in 20 countries and over 600,000 monthly visits to their e-commerce sites with a database of approximately 1.5 million users. Their fully integrated e-commerce network spans across the globe offering everything from rolling papers to vaporizers. In Canada, Namaste has developed the country's first telemedicine app, available on iPhone and Android devices, allowing patients to connect to doctors or nurse practitioners and have access to a wide range of high-quality cannabis products and services. Cannvas.me is the Issuer's scalable and comprehensive cannabis education

solution built for the global medicinal and recreational user community, offering interactive tools and physician-backed content to audiences wishing to learn about healthcare through cannabis.

About Namaste Technologies Inc.

Namaste Technologies is Your Everything Cannabis Store™. Namaste operates the largest global cannabis e-commerce platform with over 30 websites in 20+ countries under various brands. Namaste's product offering through its subsidiaries includes vaporizers, glassware, accessories, CBD products, and the company will soon be selling medical cannabis in the Canadian market, subject to approval by Health Canada.

Namaste has developed and acquired innovative technology platforms including NamasteMD.com, Canada's first Health Canada compliant telemedicine application, and in May 2018 the Company acquired a leading e-commerce AI and Machine Learning Company, Findify AB. Findify uses artificial intelligence algorithms to optimize and personalize a consumer's on-site buying experience. Namaste is focused on leveraging its cutting-edge technology to enhance the user experience throughout its platforms. Namaste will continue to develop and acquire innovative technologies which will provide value to the Company and to its shareholders as well as to the broader cannabis market.

On August 23, 2018, the Issuer announced the appointment of Shirish Patel, MD to its Health and Innovation Advisory Board. The Health and Innovation Advisory Board oversees all content related to the Cannabis.me platform, a scalable solution for the global medical cannabis community offering interactive tools, educational modules and physician-backed content to audiences wishing to learn about healthcare through cannabis.

On August 28, 2018, the Issuer announced that the Issuer has exceeded quarterly growth targets and has tripled its number of employees in 2018. Growth in key departments with highly skilled individuals allows the Issuer to remain focused on pushing forward with its first product offering for the global cannabis markets: Cannabis.me, a global cannabis education platform.

The Issuer's most recent hire is David Davidzon, an accomplished brand strategist and creative writer with deep roots in the food and beverage industry, with over 10 years' experience in corporate branding communications and public relations, digital marketing and social media, joins Cannabis as Marketing Manager. The Issuer also announced the appointment of Stacey Paterson (Registered Nurse) to its Health and Innovation Advisory Board. Paterson joins Daniel J. Bal, MD and Shirish Patel, MD also recently appointed to the board which oversees content related to the Cannabis.me platform.

On August 28, 2018, the Issuer announced, through BTV-Business Television, the addition of BNN Bloomberg and BTV to the brand awareness campaign for its pioneering global cannabis education platform Cannabis.me. BTV and CEO Clips profiles innovative publicly traded companies in North America on BNN Bloomberg and will feature a 15 to 30 second commercial on Cannabis beginning mid-September 2018.

About BNN and BTV

BNN Bloomberg - Business News Network is Canada's only television service devoted exclusively to business and finance news with wall-to-wall coverage of the markets providing Canadian investors with the latest business news, newsmaker interviews and stock market analyses.

BTV-Business Television and CEO Clips produce and house the largest library of company video features and campaigns for publicly traded companies for broadcast on TV and financial sites. Contact info@b-tv.com for more information.
