

FORM 7**MONTHLY PROGRESS REPORT**Name of Listed Issuer: American Battery Metals Corp. (the "Issuer").Trading Symbol: ABCNumber of Outstanding Listed Securities: 23,187,000Date: April 5, 2019

This Monthly Progress Report must be posted before the opening of trading on the fifth trading day of each month. This report is not intended to replace the Issuer's obligation to separately report material information forthwith upon the information becoming known to management or to post the forms required by Exchange Policies. If material information became known and was reported during the preceding month to which this report relates, this report should refer to the material information, the news release date and the posting date on the Exchange website.

This report is intended to keep investors and the market informed of the Issuer's ongoing business and management activities that occurred during the preceding month. Do not discuss goals or future plans unless they have crystallized to the point that they are "material information" as defined in the Policies. The discussion in this report must be factual, balanced and non-promotional.

General Instructions

- (a) Prepare this Monthly Progress Report using the format set out below. The sequence of questions must not be altered nor should questions be omitted or left unanswered. The answers to the items must be in narrative form. State when the answer to any item is negative or not applicable to the Issuer. The title to each item must precede the answer.
- (b) The term "Issuer" includes the Issuer and any of its subsidiaries.
- (c) Terms used and not defined in this form are defined or interpreted in Policy 1 – Interpretation and General Provisions.

Report on Business

1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.

The common shares of First Division Ventures Inc were approved for listing on the CSE on November 27, 2018. First Division Ventures Inc. ("First Division") is a junior mineral exploration company. First Division is engaged in the business of acquiring, exploring and evaluating natural resource properties. First Division has

an option to acquire a 50% interest in the Fish Lake property, consisting of 81 lode mineral claims located in Esmeralda County in the state of Nevada, USA.

On March 4, 2019, the Company announced that it has closed its previously announced non-brokered private placement with the issuance of 6,017,000 units for gross proceeds of \$1,504,250. The Company paid aggregate finder's fee of \$72,675 and issued 322,620 compensation warrants to certain finders under the Financing. The Compensation Warrants have the same terms as the Warrants but are not transferable.

The Company intends to use net proceeds from the Financing to fund obligations related to the Assignment and Property Option Agreement recently entered into with Geoxplor Corp. under which the Company holds the option to acquire a 100% interest in the Temple Mountain Vanadium Property located in Emery County, Utah, USA.

On March 7, 2019, the Company announced that it will be changing its name to American Battery Metals Corp. with the corresponding new stock symbol "ABC" on the Canadian Securities Exchange as of March 11, 2019.

2. Provide a general overview and discussion of the activities of management.

Management is currently engaged in the business of acquiring, exploring and evaluating natural resource properties.

During the week of March 11th through 15th, Management met with a number of the regulatory bodies in Utah including the Bureau of Land Management ("BLM") and the Department of Oil, Gas and Minerals. The meetings were held in relation to permitting the Company's upcoming drilling program at the Temple Mountain Vanadium property, which is to consist of two phases: an initial 10-hole reverse circulation drill program totaling 3,000 feet which will focus on testing known zones of mineralization and a second phase program to follow-up on targets identified through the upcoming geophysical surveying and regional exploration. The Phase I drill program will commence once all the permits have been received and O'Keefe drilling has been contracted to complete the program. The radon pot electret geophysical survey is anticipated to commence within 14 days. The regional exploration team, which will be conducting mapping and sampling is being mobilized with the program expected to commence in one week.

3. Describe and provide details of any new products or services developed or offered. For resource companies, provide details of new drilling, exploration or production programs and acquisitions of any new properties and attach any mineral or oil and gas or other reports required under Ontario securities law.

None to report

4. Describe and provide details of any products or services that were discontinued. For resource companies, provide details of any drilling, exploration or production programs that have been amended or abandoned.

None to report

5. Describe any new business relationships entered into between the Issuer, the Issuer's affiliates or third parties including contracts to supply products or services, joint venture agreements and licensing agreements etc. State whether the relationship is with a Related Person of the Issuer and provide details of the relationship.

None to report

6. Describe the expiry or termination of any contracts or agreements between the Issuer, the Issuer's affiliates or third parties or cancellation of any financing arrangements that have been previously announced.

None to report

7. Describe any acquisitions by the Issuer or dispositions of the Issuer's assets that occurred during the preceding month. Provide details of the nature of the assets acquired or disposed of and provide details of the consideration paid or payable together with a schedule of payments if applicable, and of any valuation. State how the consideration was determined and whether the acquisition was from or the disposition was to a Related Person of the Issuer and provide details of the relationship.

None to report

8. Describe the acquisition of new customers or loss of customers.

None to report

9. Describe any new developments or effects on intangible products such as brand names, circulation lists, copyrights, franchises, licenses, patents, software, subscription lists and trade-marks.

None to report

10. Report on any employee hirings, terminations or lay-offs with details of anticipated length of lay-offs.

On March 9, 2019, the Company announced the appointment of Matthew J. Rhoades, CPG, RG, as the Qualified Person ("QP") within the meaning of National Instrument 43-101 Standards of Disclosure for Mineral Projects ("NI 43-101")

Matthew J. Rhoades, CPG, RG, is an accomplished professional geologist with direct working experience with exploration and development projects at numerous deposits and mines throughout the American West, Canada, Mexico and South America. Mr. Rhoades has been involved with many exploration, development and

feasibility programs. Specifically to vanadium, he has been involved in the Wray Mesa Vanadium Project in Colorado and the Gibellini Vanadium project in Nevada.

11. Report on any labour disputes and resolutions of those disputes if applicable.

None to report

12. Describe and provide details of legal proceedings to which the Issuer became a party, including the name of the court or agency, the date instituted, the principal parties to the proceedings, the nature of the claim, the amount claimed, if any, if the proceedings are being contested, and the present status of the proceedings.

None to report

13. Provide details of any indebtedness incurred or repaid by the Issuer together with the terms of such indebtedness.

None to report

14. Provide details of any securities issued and options or warrants granted.

On March 4, 2019, the Company announced that it has closed its previously announced non-brokered private placement with the issuance of 6,017,000 units for gross proceeds of \$1,504,250. The Company paid aggregate finder's fee of \$72,675 and issued 322,620 compensation warrants to certain finders under the Financing. The Compensation Warrants have the same terms as the Warrants but are not transferable.

15. Provide details of any loans to or by Related Persons.

None to report

16. Provide details of any changes in directors, officers or committee members.

None to report

17. Discuss any trends which are likely to impact the Issuer including trends in the Issuer's market(s) or political/regulatory trends.

None to report
