Forward Looking Information

This press release contains “forward-looking information” within the meaning of applicable Canadian securities legislation which are based upon TruTrace current internal expectations, estimates, projections, assumptions and beliefs and views of future events. Forward-looking information can be identified by the use of forward-looking terminology such as “expect”, “likely”, “may”, “will”, “should”, “intend”, “anticipate”, “potential”, “proposed”, “estimate” and other similar words, including negative and grammatical variations thereof, or statements that certain events or conditions “may”, “would” or “will” happen, or by discussions of strategy.

The forward-looking information in this news release is based upon the expectations, estimates, projections, assumptions and views of future events which management believes to be reasonable in the circumstances. Forward-looking information includes estimates, plans, expectations, opinions, forecasts, projections, targets, guidance or other statements that are not statements of fact. Forward-looking information in this news release include, but are not limited to, statements with respect to internal expectations, expectations with respect to actual production volumes, expectations for future growing capacity and the completion of any capital project or expansions. Forward-looking information necessarily involve known and unknown risks, including, without limitation, risks associated with general economic conditions; adverse industry events; loss of markets; future legislative and regulatory developments; inability to access sufficient capital from internal and external sources, and/or inability to access sufficient capital on favourable terms; the cannabis industry in Canada generally; the ability of TruTrace to implement its business strategies; the COVID-19 pandemic; competition; and other risks.

Any forward-looking information speaks only as of the date on which it is made, and, except as required by law, TruTrace does not undertake any obligation to update or revise any forward-looking information, whether as a result of new information, future events or otherwise. New factors emerge from time to time, and it is not possible for TruTrace to predict all such factors. When considering this forward-looking information, readers should keep in mind the risk factors and other cautionary statements in TruTrace’s disclosure documents filed with the applicable Canadian securities regulatory authorities on SEDAR at www.sedar.com. The risk factors and other factors noted in the disclosure documents could cause actual events or results to differ materially from those described in any forward-looking information.

NEITHER THE CANADIAN SECURITIES EXCHANGE NOR ITS REGULATION SERVICES PROVIDER (AS THAT TERM IS DEFINED IN THE POLICIES OF THE CANADIAN SECURITIES EXCHANGE) ACCEPTS RESPONSIBILITY FOR THE ADEQUACY OR ACCURACY OF THIS RELEASE.
