

FORM 7

MONTHLY PROGRESS REPORT

Name of Listed Issuer: World Class Extractions Inc. ("World-Class" or the "Company").

Trading Symbol: PUMP

Number of Outstanding Listed Securities: 625,196,572

Date: August 6, 2021

This Monthly Progress Report must be posted before the opening of trading on the fifth trading day of each month. This report is not intended to replace the Issuer's obligation to separately report material information forthwith upon the information becoming known to management or to post the forms required by Exchange Policies. If material information became known and was reported during the preceding month to which this report relates, this report should refer to the material information, the news release date, and the posting date on the Exchange website.

This report is intended to keep investors and the market informed of the Issuer's ongoing business and management activities that occurred during the preceding month. Do not discuss goals or future plans unless they have crystallized to the point that they are "material information" as defined in the Policies. The discussion in this report must be factual, balanced and non-promotional.

General Instructions

- (a) Prepare this Monthly Progress Report using the format set out below. The sequence of questions must not be altered nor should questions be omitted or left unanswered. The answers to the items must be in narrative form. State when the answer to any item is negative or not applicable to the Issuer. The title to each item must precede the answer.
- (b) The term "Issuer" includes the Issuer and any of its subsidiaries.
- (c) Terms used and not defined in this form are defined or interpreted in Policy 1 – Interpretation and General Provisions.

Report on Business

1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.

World-Class is an innovation-driven company with a principle focus on the rapidly evolving cannabis and hemp industries. World-Class offers compliant and secure delivery of government regulated products through its subsidiary Pineapple Express Delivery Inc., including medical and recreational cannabis in Ontario, Manitoba and Saskatchewan, and liquor delivery in certain jurisdictions in Saskatchewan. World-Class continues to investigate opportunities to deploy and manage custom-built extraction centres utilizing its custom systems, technology, and processes to efficiently produce high-quality cannabis and hemp concentrates and end-products.

2. Provide a general overview and discussion of the activities of management.

Management continues to focus on the Company's operations (described in Section 1 above) and continuously evaluates opportunities to improve shareholder value.

3. Describe and provide details of any new products or services developed or offered. For resource companies, provide details of new drilling, exploration or production programs and acquisitions of any new properties and attach any mineral or oil and gas or other reports required under Ontario securities law.

World-Class's subsidiary, Pineapple Express Delivery Inc. (PED), a company in which World-Class has a controlling interest, is rolling out its robust, proprietary technology platform -- CannDeliv -- in British Columbia. PED has entered into a licensing agreement with City Cannabis Corp. to facilitate City Cannabis's B2C (business-to-consumer) sales.

Under the licence agreement, PED provides City Cannabis with integration through API (application programming interface), delivery program development, support, access and driver training services for its robust CannDeliv proprietary software. The CannDeliv platform will allow City Cannabis's employee drivers to deliver its retail cannabis products efficiently and effectively to customers from three dispensaries in British Columbia. PED's CannDeliv technology focuses on enabling safe and easy cannabis delivery securely and in full compliance with provincial and federal regulations while providing dedicated dispatching, real-time track-and-trace chain of custody, proof of delivery and signature capture, real-time status-driven customer tracking page, customer notifications through SMS (short message service), customer care, and driver support.

4. Describe and provide details of any products or services that were discontinued. For resource companies, provide details of any drilling, exploration or production programs that have been amended or abandoned. **N/A**
5. Describe any new business relationships entered into between the Issuer, the Issuer's affiliates or third parties including contracts to supply products or services, joint venture agreements and licensing agreements etc. State whether the relationship is with a Related Person of the Issuer and provide details of the relationship.

World-Class retained the services of Wall Street Reporter, a multiplatform global marketing firm, to increase investor awareness. Pursuant to the marketing services agreement, Wall Street Reporter will aim to maintain and build the profile of the Company through on-line traditional press initiatives, livestream presentations, video and social media initiatives, and e-mail promotion. As compensation, Wall Street Reporter received a cash payment of \$12,500 (U.S.).

6. Describe the expiry or termination of any contracts or agreements between the Issuer, the Issuer's affiliates or third parties or cancellation of any financing arrangements that have been previously announced. **N/A**
7. Describe any acquisitions by the Issuer or dispositions of the Issuer's assets that occurred during the preceding month. Provide details of the nature of the assets acquired or disposed

of and provide details of the consideration paid or payable together with a schedule of payments if applicable, and of any valuation. State how the consideration was determined and whether the acquisition was from or the disposition was to a Related Person of the Issuer and provide details of the relationship. **N/A**

8. Describe the acquisition of new customers or loss of customers. **Other than in the normal course of business operations, the Company has not acquired or lost any material customers.**

9. Describe any new developments or effects on intangible products such as brand names, circulation lists, copyrights, franchises, licenses, patents, software, subscription lists and trademarks. **N/A**

10. Report on any employee hirings, terminations or lay-offs with details of anticipated length of lay-offs.

Following a slow down in operations as a result of the COVID-19 pandemic, the Company has laid off all operational employees in its subsidiary, Soma Labs. The Company continues to evaluate business opportunities to move operations forward.

11. Report on any labour disputes and resolutions of those disputes if applicable.

During July 2021, the Company did not have any new labour disputes or resolutions.

12. Describe and provide details of legal proceedings to which the Issuer became a party, including the name of the court or agency, the date instituted, the principal parties to the proceedings, the nature of the claim, the amount claimed, if any, if the proceedings are being contested, and the present status of the proceedings.

During July 2021, the Company did not become a party to any legal proceedings.

13. Provide details of any indebtedness incurred or repaid by the Issuer together with the terms of such indebtedness. **N/A**

14. Provide details of any securities issued and options or warrants granted. **N/A**

Security	Number Issued	Details of Issuance	Use of Proceeds⁽¹⁾

⁽¹⁾ State aggregate proceeds and intended allocation of proceeds.

15. Provide details of any loans to or by Related Persons. **N/A**

16. Provide details of any changes in directors, officers or committee members. **N/A**

17. Discuss any trends which are likely to impact the Issuer including trends in the Issuer's market(s) or political/regulatory trends.

In March 2020, the World Health Organization declared coronavirus COVID-19 a global pandemic. This contagious disease outbreak, which has continued to spread, and any related adverse public health developments has adversely affected workforces, economies and financial markets globally, potentially leading to an economic downturn. The effects of the COVID-19 pandemic continue to influence and affect the extraction business of the Company's subsidiary, Soma Labs. However, it is believed that the pandemic has had a positive impact on the delivery services business of PED. The Company continues to evaluate business opportunities to enhance its operational status going forward.
