Pineapple Express Delivery's financial results will be reported with World-Class on a consolidated basis.

Pineapple Express Delivery currently has several contracts in place with Licensed Producers ("LP's") for delivery within select provinces in Canada. Pineapple Express Delivery is targeting to become the delivery company of choice for Business-to-Consumer ("B2C") and Business-to-Business ("B2B") companies associated with medical and recreational cannabis, including all provincial organizations which manage cannabis distribution. Pineapple Express Delivery has also partnered with a US organization to assist in establishing joint ventures for distribution in California, Nevada, and Oregon in the near future.

Pineapple Express Delivery is experiencing significant growth in B2B and B2C deliveries having completed 7,916; 8,935; and 22,478 deliveries in January, February and March (estimate) 2020, respectively, resulting in revenues of \$131,179, \$154,962, \$347,897 in January, February and March (estimate) 2020 respectively, against gross margin of -12% (Jan), 12% (Feb) and 25% (March estimate) over the same period. Pineapple Express Delivery's impressive revenue growth is demonstrated by March revenues being 265% of those in January as the company's operations continue to ramp up to satisfy the current demand.

Terms of the Acquisition

Under the terms of the Acquisition, World-Class purchased a \$500,000 secured convertible debenture ("Convertible Debentures") from PED, convertible at the option of World-Class at \$0.15 per common share of PED. The Convertible Debentures have a two-year term and bear interest at 12% per annum, compounded monthly in advance. World-Class also purchased 8,333,333 units (the "Units") of PED, at a price of \$0.15 per Unit for aggregate gross proceeds of \$1,250,000. Each Unit consisting of one common share and one half of one share purchase warrant, with each full warrant exercisable at \$0.30 for a period of two years. The 8,333,333 common shares of PED held by World-Class represent approximately 21.55% of the current issued and outstanding share capital of PED, valuing PED at approximately \$5.8 million dollars.

As part of the Acquisition, PED utilized a portion of the financing proceeds to purchase 25,000,000 common shares of World-Class at a price of \$0.05 per share. These shares are subject to a statutory hold period expiring on August 1, 2020.

World-Class also acquired an option to acquire up to an additional 24,046,182 common shares (the "Option") of PED from existing shareholders, in addition to any additional common shares of PED they acquire during the term of the Option.

The Option is exercisable during a 60-day period, starting two years from the closing of the Acquisition, based on a valuation of PED of one time its annualized revenue during the last quarter of the period. The exercise price per common share of PED is payable in common shares of World-Class, based on the 20-day Volume Weighted Average Price of World-Class' share price prior to the end of the two-year period. World-Class also entered into a voting trust with the optionors, entitling World-Class to vote such shares for a period of two years.

Upon satisfaction of certain other conditions, including the restructuring of certain of PED's debt, World-Class has agreed to purchase an additional \$500,000 in Convertible Debentures of PED under the same terms and conditions described above.

Assuming the conversion of the Convertible Debentures and exercise of the Option by World-Class, the Company would hold 39,046,182 common shares of PED representing approximately 86.1% of the then issued and outstanding share capital of PED.

The Convertible Debentures will rank pari-passu with PED's existing secured debt. Subject to certain conditions, the current holder of secured debt of PED has agreed, on the maturity of such debt, to assign the debt to World-Class in exchange for common shares of World-Class based on the 20-day Volume Weighted Average Price of World-Class' share price, calculated on the maturity date of the secured debt.
