

## FORM 7

### **MONTHLY PROGRESS REPORT**

Name of CNSX Issuer: **Jagercor Energy Corp.** (the "Issuer").

Trading Symbol: **JEM**

Number of Outstanding Listed Securities: **94,548,491**

Date: **September 1, 2016**

This Monthly Progress Report must be posted before the opening of trading on the fifth trading day of each month. This report is not intended to replace the Issuer's obligation to separately report material information forthwith upon the information becoming known to management or to post the forms required by the CNSX Policies. If material information became known and was reported during the preceding month to which this report relates, this report should refer to the material information, the news release date and the posting date on the CNSX.ca website.

This report is intended to keep investors and the market informed of the Issuer's ongoing business and management activities that occurred during the preceding month. Do not discuss goals or future plans unless they have crystallized to the point that they are "material information" as defined in the CNSX Policies. The discussion in this report must be factual, balanced and non-promotional.

#### **General Instructions**

- (a) Prepare this Monthly Progress Report using the format set out below. The sequence of questions must not be altered nor should questions be omitted or left unanswered. The answers to the items must be in narrative form. State when the answer to any item is negative or not applicable to the Issuer. The title to each item must precede the answer.
- (b) The term "Issuer" includes the Issuer and any of its subsidiaries.
- (c) Terms used and not defined in this form are defined or interpreted in Policy 1 – Interpretation and General Provisions.

#### **Report on Business**

1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.

**Report on Business:** The Company continues to monitor production from the three wells at the Catriel Oeste Oil Concession, located in Rio Negro Province, Argentina, which is the property of Central International Corporation Sucursal Argentina ("Central").

These wells were drilled as part of a project agreed to by Jagercor with Central pursuant to the Development Agreement (the "Agreement") announced on August 7, 2014.

2. Provide a general overview and discussion of the activities of management.

**General Overview and Discussion:** Management plans to continue to evaluate and explore commercial opportunities, with an emphasis on acquiring and developing oil and gas properties with particular focus in the near term, over energy concessions in South America. The Issuer has a skillful technical and highly trained management team with many years of operational experience in the oilfield operation sector in Argentina.

As stated in the Agreement, the Company has the option to fund the drilling of five more wells in the concession. This decision will be based on the evolution of the Oil production and the Catriel Oeste concession being extended by Central.

The Catriel Oeste concession expires in October 26, 2016. Central is currently involved in negotiations with the Rio Negro Province to extend its rights over the concession for an extra 10 year period. As per the Argentine Hydrocarbons Law, the concession extension requires the payment of a bonus to the Province, of which Jagercor will have to pay its share if it wants to continue holding its production rights.

3. Describe and provide details of any new products or services developed or offered. For resource companies, provide details of new drilling, exploration or production programs and acquisitions of any new properties and attach any mineral or oil and gas or other reports required under Ontario securities law.

**None to report.**
