

## MustGrow Announces Issuance of Options and Warrants

Saskatoon, SK, May 1, 2020 – **MustGrow Biologics Corp. (CSE: MGRO) (OTC: MGROF) (FRA: 0C0)** (the "**Company**", "**MustGrow**"), an agricultural biotech company developing and commercializing a portfolio of natural, science-based biological crop protection products, has issued 1,050,000 common share options (each an "Option") to management and directors of the Company. Each Option shall entitle the holder to acquire one common share of the Company at a price of \$0.34 exercisable until April 30, 2025. The terms of each Option, including vesting period (25% on date of grant and 25% on each anniversary) is in accordance with the Company's management and directors stock option plan. MustGrow has also issued 1,400,000 common share purchase warrants (each a "Warrant") to a consultant of the Company. Each Warrant shall entitle the holder to acquire one common share of the Company at a price of \$0.35 exercisable until April 2, 2022.

All Options, Warrants and underlying shares are subject to four month hold period from the date of issuance and are subject to final approval of the CSE.

### About MustGrow

MustGrow is a publicly traded (**CSE: MGRO) (OTC: MGROF) (FRA: 0C0)** agriculture biotech company focused on providing natural science-based biological solutions for high value crops, including organic fruits & vegetables. MustGrow has designed and owns a United States EPA-approved organic solution that uses the mustard seed's natural defence mechanism to protect plants from pests and diseases. Over 110 independent tests have been completed, validating MustGrow's safe and effective signature products. This product, in granule format, is EPA-approved across all key U.S. states as a bio-fertilizer and bio-pesticide (currently limited to a bio-fertilizer in California) and is designated by Health Canada's PMRA (Pest Management Regulatory Agency) as a fruit & vegetable bio-pesticide and bio-fertilizer. MustGrow has now concentrated a liquid format that with regulatory approval, could be applied through standard drip or spray equipment, improving functionality and performance features.

The Company has approximately 37 million basic common shares issued and outstanding. For further details please visit [www.mustgrow.ca](http://www.mustgrow.ca).

### Forward-Looking Statements

Certain statements included in this press release constitute "forward-looking statements" which involve known and unknown risks, uncertainties and other factors that may affect the results, performance or achievements of MustGrow.

Generally, forward-looking information can be identified by the use of forward-looking terminology such as "plans", "expects", "is expected", "budget", "estimates", "intends", "anticipates" or "does not anticipate", or "believes", or variations of such words and phrases or statements that certain actions, events or results "may", "could", "would", "might", "occur" or "be achieved".

Forward-looking statements are subject to a number of risks and uncertainties that may cause the actual results of MustGrow to differ materially from those discussed in such forward-looking statements, and even if such actual results are realized or substantially realized, there can be no assurance that they will have the expected consequences to, or effects on, MustGrow.

These risks are described in more detail in MustGrow's Prospectus and other continuous disclosure documents filed by MustGrow with the applicable securities regulatory authorities and available at [www.sedar.com](http://www.sedar.com). Readers are referred to such documents for more detailed information about MustGrow, which is subject to the qualifications, assumptions and notes set forth therein.

This release does not constitute an offer for sale of, nor a solicitation for offers to buy, any securities in the United States.

Neither the CSE nor its Regulation Services Provider (as that term is defined in the policies of the CSE) accepts responsibility for the adequacy or accuracy of this release.
