

HIGH FUSION CLOSES FINANCING

Toronto, Ontario – March 14, 2022 – High Fusion Inc. (CSE:FUZN) ("**High Fusion**" or the "**Company**") is pleased to announce that it has agreed to enter into a one-year, secured, loan facility in the principal amount of US\$472,500 ("Loan Facility").

"We have entered into this loan as a bridge financing to an anticipated asset sale by the Company" said Robert Wilson, Chief Financial Officer of High Fusion. "This financing provides the Company with working capital to help ensure that we have sufficient time to realize a fair value on the anticipated asset sale."

The Loan Facility is expected to close today and is comprised of three tranches, with the first two tranches representing a principal amount of US\$172,500. Interest on the first two tranches of the Loan Facility, during the initial four-month period of US\$22,500, is deducted from the proceeds at closing. In the event that the first two tranches are not repaid within four months, an additional interest charge of US\$17,250 will be due at maturity in one year. The third tranche of the Loan Facility represents a principal amount of US\$300,000 which will accrue interest of US\$45,000 for the initial four-month period with additional interest payments of US\$35,000 if the loan repaid after four-months to the date of maturity in one-year. Notwithstanding the above terms, the Loan Facility is due and payable upon an asset sale by the Company.

As part of the Loan Facility, the lenders will be granted 2,250,000 subordinate voting share purchase warrants (each a "Warrant"). Each Warrant will entitle the holder to purchase one subordinate voting share of the Company at a price of \$.075 and for a period of two years.
