

FORM 7

MONTHLY PROGRESS REPORT

Name of Listed Issuer: Cryptanite Blockchain Technologies Corp. (the "Issuer").

Trading Symbol: NITE

Number of Outstanding Listed Securities: 56,656,143

Date: July 4, 2018

This Monthly Progress Report must be posted before the opening of trading on the fifth trading day of each month. This report is not intended to replace the Issuer's obligation to separately report material information forthwith upon the information becoming known to management or to post the forms required by Exchange Policies. If material information became known and was reported during the preceding month to which this report relates, this report should refer to the material information, the news release date and the posting date on the Exchange website.

This report is intended to keep investors and the market informed of the Issuer's ongoing business and management activities that occurred during the preceding month. Do not discuss goals or future plans unless they have crystallized to the point that they are "material information" as defined in the Policies. The discussion in this report must be factual, balanced and non-promotional.

General Instructions

- (a) Prepare this Monthly Progress Report using the format set out below. The sequence of questions must not be altered nor should questions be omitted or left unanswered. The answers to the items must be in narrative form. State when the answer to any item is negative or not applicable to the Issuer. The title to each item must precede the answer.
- (b) The term "Issuer" includes the Issuer and any of its subsidiaries.
- (c) Terms used and not defined in this form are defined or interpreted in Policy 1 – Interpretation and General Provisions.

Report on Business

1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.

Cryptanite is a blockchain technology company leveraging the power of blockchain technologies to provide our clients with an end-to-end cryptocurrency lifestyle solution. The Cryptanite Mobile app is pioneering the model of "apps within an app" designed to monetize the blockchain ecosystem making it easy for users to

live within a cryptocurrency world, to mine, buy, invest, and spend cryptocurrencies, and access cryptocurrency investment tools, statistics, and connect with a community of top crypto-currency experts. The Cryptanite ecosystem currently has a growing portfolio of innovative applications on its mobile platform and continues to develop innovative solutions on the front range of blockchain technologies.

One of such applications is a Cryptanite Wallet, which provides a secure, easy-to-use and frictionless process to buy, invest and store a diversified collection of more than 15 top cryptocurrencies, including Bitcoin, Ethereum, Ripple, Stellar and Dash. It includes four baskets for cryptocurrency buyers and investors—HODL, HOOD, SIZE and BASE.

Another application in the Cryptanite ecosystem is CryptaKings – a network of experts that helps cryptocurrency investors to navigate the cryptocurrency marketplace by providing statistics on the top traders, token, coins and cryptocurrency baskets. CryptaKings is also integrated with the Cryptanite Wallet.

Cryptanite continues to expands its cryptocurrency mining operations including research and development on innovative solutions in the mining industry.

The company also continues to explore strategic partners and investments in the blockchain sector to further expand its product offering and ecosystem.

2. Provide a general overview and discussion of the activities of management.

Management of the Issuer is working on building a customer base for its products. The Issuer is now listed on Frankfurt Stock Exchange and on OTC Markets Group.
