News Release February 21, 2017

Marapharm Ventures Inc. "Marapharm" announces an expansion of its cannabis delivery service

"We are immediately expanding the cannabis delivery services business. We've created a unique model, software and an operating system for deliveries that would operate similarly to a private driver service. The immediate expansion will be into the states of Nevada and Arizona. The plan is to go into all states that have legal medical or recreational use of cannabis. Internal proformas indicate that several hundred thousand dollars of revenue can be produced monthly from each state and we are anxious to see if we are right!" Linda Sampson, Marapharm, CEO.

Kelowna British Columbia. On February 20, 2017 Marapharm announced it had entered into an agreement to purchase a Medical Delivery Service with the specific and limited purpose to deliver, facilitate or coordinate cannabis transactions between qualified patients and caregivers. The delivery service is located in California.

Marapharm purchased 80% of the shares of Moringa Cooperative, Inc. "Moringa" The purpose of the corporation is to engage in any lawful activity and specific to cannabis transactions in California.
