Marapharm Ventures Inc. announces that the State of Nevada has awarded 2 more conditional approvals for marijuana distributor licenses

Marapharm Ventures Inc. "Marapharm" was given notice by the Nevada Department of Taxation of conditional approval for 2 additional distributor licenses for its cultivation and production facilities in Las Vegas, Nevada. Marapharm now has 3 conditional distributor licenses.

“We are thrilled to receive these conditional approvals. These licenses will be key to allowing us to distribute product beginning early next year from our planned expansive 380,000 square foot cultivation and production facility. With these approvals in addition to the acquisition of the specialized vehicles needed, we can ensure we get product to market quickly and safely.” Linda Sampson, Marapharm CEO.

These approvals follow quickly on the heels of the August, 2017 conditional approval of Marapharm's first application for a marijuana distributor license. The conditions to be met are the inspection of vehicles and of the facility.
