

HeyBryan Adds Four New Task Types

Vancouver, British Columbia – March 3, 2020: [HEYBRYAN MEDIA INC.](#) ([CSE: HEY](#)) ([OTCQB:HEYBF](#)) (“HeyBryan” or the “Company”), the creator of the HeyBryan app that connects home-maintenance experts to homeowners for help with small tasks around the home, is excited to announce the addition of four new task types to its service offering.

The four new task types include:

- Yard work
- Power-washing
- Window cleaning
- Garage door repair

These services enhance an already robust list of offerings available on the HeyBryan app that includes cleaning, painting, lawn maintenance and more. The app was created in partnership with HGTV celebrity Bryan Baeumler to service a major need in the market - small tasks around the home.

HeyBryan’s service expansion is expected to deliver a boost to the number of new users and new task bookings, while also increasing the loyalty of current app users by providing them with an expanded list of options from which to choose. This could also help to attract new experts by providing a market for a broader range of skill sets.

Lance Montgomery, CEO of HeyBryan, says: “We are very excited to add these new task types to the app - and just in time for spring cleaning. We are getting to a stage where our customers are starting to ask us: *what can’t these experts do?* This is yet another step for our team as we continue to provide the market with necessary home services.”

HeyBryan is currently available in Toronto, Vancouver and Calgary on both [Apple](#) and [Android](#) devices.
