

## ScreenPro Launches Concierge Medical Services to Capitalize on Lucrative Custom Care Market

**Toronto, Ontario – July 9, 2021 -- ScreenPro Security Inc. (CSE: SCRN) ("ScreenPro" or the "Company")** is pleased to announce launching the Company's concierge medical services ("Concierge") offering home visit care starting in Vancouver to capitalize on the lucrative custom care management market. The Company has established its infrastructure with its Covid testing business, and leveraging it to expand its business for the future business and growth. The Concierge service is commencing on July 12.

In conjunction with the Company's clinic in Vancouver, ScreenPro offers concierge medical services with accredited physicians and nurses and can provide corporate wellness and executive health including urgent concierge medical care, medical advisory, and preventive screenings to determine the presence or absence of disease. The company is currently reviewing various disease detection technologies and will report on this in due course.

The company is offering a customized care experience by segmenting its target audience and using a care management strategy. The targeted distribution would include but not be limited to Executives and corporations with a large staff population. The intent is to keep fees economic to allow for scalability.

One of the most popular reasons to consider a concierge services is immediate access to a health care professionals. Same day appointments and direct email and phone contact with your concierge doctor mean speedier access to care.

By providing this kind of trusted, one-on-one concierge medical services, it is much like delivering concierge services to guests at a five star hotel, ScreenPro Concierge can create exceptional experiences.

"When you think about the healthcare space in Canada in 2019 being worth \$265.5 billion, and with the overall health spending representing 11.5% of Canada's gross domestic product, that is a really interesting market. (Source: [www.cihi.ca/en/health-spending](http://www.cihi.ca/en/health-spending)) We are building a health care business that has sustainability and longevity and that will add recurring high margin revenue metrics to our existing business model," said Andrew Ryu, CEO of the Company.

### About ScreenPro

ScreenPro is a Screening and Medical Technology company. ScreenPro provides turnkey screening solutions with alerting software, GoStop. ScreenPro's unique access to multiple

manufacturers of high quality test kits and its strategic partnership with Labs in Vancouver and Ontario allows ScreenPro to be a nationwide provider of a full-service testing solutions across Canada. In addition, ScreenPro has its own nursing professionals, and access to high quality PPEs to ensure that its clients are protected in all aspects of their testing needs. GoStop's passport was developed with a privacy preserving approach that will enable individuals to use the alerting software and downloadable app with authentication certificates. The alerts can be scheduled on an on-demand, daily, weekly, or monthly basis and can be used also for vaccine scheduling.
