NEWS RELEASE

NEXTECH'S CEO EVAN GAPPELBERG BUYS 500,000 SHARES

December 18th, 2018 – Vancouver, British Columbia - Toronto, ON – NexTech AR Solutions (the “Company” or “NexTech”) (CSE: NTAR) (OTC: NEXCF) (FSE:N29) is pleased to announce that on December 16th, 2018 its CEO Evan Gappelberg bought \$250,000 or 500,000 shares of NexTech common shares. He acquired the shares at \$0.50/share through the exercise of his \$0.50 warrants. This investment is a follow on investment to his \$125,000 purchase which he made in the May 2018 private placement which raised \$2,750,000 at \$0.25/share.

“I have always been a big believer in management being aligned with shareholders and this follow on investment does just that” comments Evan Gappelberg, CEO of NexTech. These shares will be restricted and held under the companies three year escrow agreement.

About NexTech AR Solutions Corp.

NexTech is bringing augmented reality (AR) to the masses by creating an AR ecosystem featuring eCommerce solutions for websites, AR learning and education as well as AR live streaming for events. The company has filed a patent around its AR web-enabled eCommerce platform which has been integrated with Shopify, Wordpress and Magento. The AR can “go live” on any ecomm site with just a few lines of embed code creating a highly scalable platform. The global eCommerce industry is a \$2.8 trillion-dollar marketplace and growing. NexTech has acquired its e-learning platform “edCetra” which has been used by Fortune 500 companies such as Imperial Oil, Bombardier and Staples, as well as the Library of Congress and others to educate and train employees. NexTech has added augmented reality ("AR") training and education options into the platform and expects to launch in 2019. The company is also working on bringing forth its AR live streaming platform for shows and live events. All of the companies platforms run off of one CRM which allows

for its AR ecosystem to rise up. NexTech launched its ARitize™ app in August 2018, which is capable of hosting many brands 3D objects and augmented reality experiences. NexTech also owns a large and diverse revenue generating App Portfolio that is deployed on the iTunes and Google play store which it intends to ARitize™.
