

WARRANT RE-PRICING WITH INCENTIVE WARRANTS

NetCents Technology Inc. (CSE: NC) (FSE: 26N) (OTCQB: NTTCF) ("NetCents" or the "Company") announces that it has applied with the Canadian Securities Exchange ("CSE") to reprice all warrants with an exercise price greater than \$0.80 to \$0.80 effective immediately.

In addition, the Company has applied to implement an early warrant exercise program. Under the early warrant exercise program, one-half Incentive Warrant will be granted to Existing Warrant holders for each Existing Warrant exercised between the date of this news release and the close of business on December 31, 2019 (the "**Incentive Period**"). Each Full Incentive Warrant will be exercisable to acquire one common share of the Company at a price of \$1.25 per share for a period of two years from the date of issuance. The incentive warrant will be subject to an acceleration clause: should the closing price of the common shares of the Company on the CSE be \$1.50 or higher for five non-consecutive trading days, over a 365 day period, the Company may accelerate the expiry of the Warrants to the date that is 20 business days from the date of the issuance of a news release by the Company announcing the exercise of the acceleration right.

Cautionary Note Regarding Forward Looking Information

This release includes certain statements that may be deemed "forward-looking statements". All statements in this release, other than statements of historical facts, that address events or developments that the Company expects to occur, are forward-looking statements. Forward-looking statements are statements that are not historical facts and are generally, but not always, identified by the words "expects", "plans", "anticipates", "believes", "intends", "estimates", "projects", "potential" and similar expressions, or that events or conditions "will", "would", "may", "could" or "should" occur. Although the Company believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements are not guarantees of future performance and actual results may differ materially from those in the forward-looking statements. Factors that could cause the actual results to differ materially from those in forward-looking statements include regulatory actions, market prices, and continued availability of capital and financing, and general economic, market or business conditions. Investors are cautioned that any such statements are not guarantees of future performance and actual results or developments may differ materially from those projected in the forward-looking statements. Forward-looking statements are based on the beliefs, estimates and opinions of the Company's management on the date the statements are made. Except as required by applicable

securities laws, the Company undertakes no obligation to update these forward-looking statements in the event that management's beliefs, estimates or opinions, or other factors, should change.
