

Getchell Gold Corp. Highlighted on the CSE's Inaugural Mining Monday's Podcast

Toronto, Ontario – July 03, 2020 – Getchell Gold Corp. (CSE: GTCH) (OTCQB: GGLDF) ("Getchell" or the "Company") a leading Nevada focused Gold and Copper exploration company was interviewed in the inaugural edition of the Canadian Securities Exchange's "Mining Mondays" program. Host, Barrington Miller interviewed Mike Sieb who is a Director of Getchell. The segment, titled [Treasure Hunting in Fondaway Canyon Nevada](#), can be viewed by clicking on the link above or by going to the Company's website [Getchell Gold](#) and clicking on "Investors" then "Videos".

Mr. Sieb discusses the merits of the Company's active projects in Nevada with special emphasis on the extent of mineralization, the amassed volume of historical work inherited through the recent acquisition and the upside potential of the Fondaway Canyon Gold project. He also notes Nevada's mining friendly jurisdiction and the apparent strength in the gold market as a considerable positive influence on the Projects' and the Company's future.

Corporate News

About Getchell Gold Corp.

The Company is a Nevada focused gold and copper exploration company trading on the CSE: GTCH and OTCQB: GGLDF. Getchell Gold is primarily directing its efforts on its most advanced stage asset, Fondaway Canyon, a past gold producer with a significant in-the-ground historic resource estimate. Complementing Getchell's asset portfolio is Dixie Comstock, a past gold producer with a historic resource and two earlier stage exploration projects, Star Point and Hot Springs Peak. Getchell has the option to acquire 100% of the Fondaway Canyon and Dixie Comstock properties under an agreement with Canarc Resources Corp. (see January 7, 2020 news release for further details).

Certain information contained herein constitutes "forward-looking information" under Canadian securities legislation. Forward-looking information includes, but is not limited to, statements with respect to the private placement and the completion thereof and the use of proceeds. Generally, forward-looking information can be identified by the use of forward-looking terminology such as "will" or variations of such words and phrases or statements that certain actions, events or results "will" occur. Forward-looking statements are based on the opinions and estimates of management as of the date such statements are made and they are subject to known and unknown risks, uncertainties and other factors that may cause the actual results to be materially different from those expressed or implied by such forward-looking statements or forward-looking information, including: the process underway to advance Fondaway Canyon, capital expenditures and other costs, and financing and additional capital requirements. Although management of Getchell have attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking statements or forward-looking information, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that such statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking statements and forward-looking information. The Company will not update any forward-looking statements or forward-looking information that are incorporated by reference herein, except as required by applicable securities laws.
