

## GLANCE CEO DESMOND GRIFFIN: PROXY ADVISORY FIRM ISS REITERATES SUPPORT FOR GLANCE NOMINEES

### SHAREHOLDERS URGED TO VOTE THE BLUE PROXY BY FRIDAY

June 6, 2018 – Vancouver, B.C. – Glance Technologies Inc. (CSE: GET: CN / OTCQB: GLNNF / FKT: GJT) (“Glance” or the “Company”) Chief Executive Officer Desmond Griffin today announced that the independent proxy advisory firm Institutional Shareholder Services Inc. (“ISS”) has reiterated its support for the Glance nominees (the “Glance Nominees”) in a contested election for the Board of Directors.

ISS is recognized as a leading independent proxy voting and corporate governance advisory firm in both Canada and the United States. Its analyses and recommendations are relied upon by hundreds of major institutional investment firms, mutual funds and fiduciaries throughout North America.

In an alert issued yesterday, ISS again recommended that shareholders vote only the **BLUE** proxy **FOR** the Glance Nominees. The alert reiterates ISS’s original recommendation in favour of the Glance Nominees and takes into account developments since the initial ISS report issued on May 30, 2018.

Also on May 30, 2018, another leading proxy advisory firm, Glass Lewis & Co., LLC (“Glass Lewis”) recommended that shareholders vote only the **BLUE** proxy **FOR** the Glance Nominees. Glass Lewis has not issued a subsequent alert.

As previously disclosed, the Glass Lewis report consists of 18 pages of detailed analysis. In recommending that its clients vote the **BLUE** proxy **FOR** the Glance Nominees, Glass Lewis made the following comments:

- “We believe that Ms. Green’s attempts to take substantially all of the credit for the Company’s share price run-up prior to her ouster (sic), and deflect blame for the Company’s share price decline following her departure, is highly disingenuous.”
- “We believe the Dissident’s acquisition strategy largely amounts to a highly speculative plan that is short on key details.”
- “We are highly skeptical of Ms. Green’s attempt to draw a decidedly favourable correlation between her presence with the Company and the Company’s share price.”
- “The Dissident’s case is insufficient to warrant rejection of any of the Management Nominees or the support of any of the Dissident Nominees.”

Glance disclosed the Glass Lewis recommendation and the original ISS recommendation in a news release issued on May 31, 2018.

The independent ISS and Glass Lewis recommendations, based on a careful review of the facts and arguments made by Glance and by the dissident shareholder, are intended to assist shareholders in making choices regarding proxy voting decisions.
