ASCENT INDUSTRIES ANNOUNCES THAT ANNABETH ROSE JOINS AS OPERATIONS DIRECTOR-OREGON

Vancouver, B.C. - Ascent Industries Corp. (**CSE: ASNT**) ("**Ascent**") announces Annabeth Rose is joining the new Management Team to lead operations at the Portland, Oregon facility. Annabeth brings 15 years of laboratory experience with expertise in building and leading teams, and establishing sophisticated quality assurance systems. She has over five years in the cannabis industry and was Vice President of the Oregon Cannabis Laboratory Association. A published scientist, Annabeth brings exceptional insight to Ascent as the company rebuilds the Team for the future. Annabeth's undergraduate studies had an emphasis in cellular and molecular biology at University of Nevada, Reno. She also studied at the University of Reading, England. Annabeth's experiences have led start-ups in accreditation, licensing, business planning and number of high-level certifications.

Ascent looks forward to Annabeth's leadership and scientific guidance as Ascent reinvigorates the Portland facility's operations. "I am excited to welcome Annabeth as Ascent continues to build the new Management Team that will deliver on our vision of a world that lives better through cannabis" said CEO Paul Dillman.

CAUTIONARY NOTE REGARDING FORWARD-LOOKING INFORMATION:

This news release contains "forward-looking information" and "forward-looking statements" (collectively, "forward-looking statements") within the meaning of the applicable Canadian securities legislation. All statements, other than statements of historical fact, are forward-looking statements and are based on expectations, estimates and projections as at the date of this news release. Any statement that involves discussions with respect to predictions, expectations, beliefs, plans, projections, objectives, assumptions, future events or performance (often but not always using phrases such as "expects", or "does not expect", "is expected", "anticipates" or "does not anticipate", "plans", "budget", "scheduled", "forecasts", "estimates", "believes" or "intends" or variations of such words and phrases or stating that certain actions, events or results "may" or "could", "would", "might" or "will" be taken to occur or be achieved) are not statements of

historical fact and may be forward-looking statements. In this news release, forward-looking statements relate, among other things, the uncertainty involved in the timing of the completion of the Annual Filings. Forward-looking statements are necessarily based upon a number of estimates and assumptions that, while considered reasonable, are subject to known and unknown risks, uncertainties, and other factors which may cause the actual results and future events to differ materially from those expressed or implied by such forward-looking statements. Such factors include, but are not limited to general business, economic, competitive, political and social uncertainties. There can be no assurance that forward-looking statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on the forward-looking statements and information contained in this news release. Except as required by law, Ascent assumes no obligation to update the forward-looking statements of beliefs, opinions, projections, or other factors, should they change, except as required by law.
