Trading Symbol: **OILS**

Number of Outstanding Listed Securities: **169,775,371 (as at April 30, 2026)**

Date: **May 7, 2026**

This Monthly Progress Report must be posted before the opening of trading on the fifth trading day of each month. This report is not intended to replace the Issuer's obligation to separately report material information forthwith upon the information becoming known to management or to post the forms required by Exchange Policies. If material information became known and was reported during the preceding month to which this report relates, this report should refer to the material information, the news release date and the posting date on the Exchange website.

This report is intended to keep investors and the market informed of the Issuer's ongoing business and management activities that occurred during the preceding month. Do not discuss goals or future plans unless they have crystallized to the point that they are "material information" as defined in the Policies. The discussion in this report must be factual, balanced and non-promotional.

General Instructions

(a) Prepare this Monthly Progress Report using the format set out below. The sequence of questions must not be altered nor should questions be omitted or left unanswered. The answers to the items must be in narrative form. State when the answer to any item is negative or not applicable to the Issuer. The title to each item must precede the answer.

(b) The term "Issuer" includes the Issuer and any of its subsidiaries.

(c) Terms used and not defined in this form are defined or interpreted in Policy 1 – Interpretation and General Provisions.

Report on Business

1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.

   Nextleaf® is an innovative cannabis processor with a portfolio of federally regulated emerging consumer brands, market validated cannabis derivative products, and high-purity and high-potency bulk ingredients. Nextleaf's

multi-patented, highly automated, closed loop extraction and distillation technology sets the global standard for processing cannabis at-scale.

The Company currently manufactures over 80 different products, across 4 categories for white label clients and house brands. Formulated products and bulk ingredients are sold domestically to B2B partners and exported to applicable international jurisdictions.

With coast-to-coast distribution, Nextleaf brands are sold through both medical and recreational channels and includes acclaimed legacy-era brand Glacial Gold, offering unparalleled value through high purity and high potency vapes, oils, softgels and infused prerolls. Glacial Gold is quickly becoming Canada's go-to brand for value and variety. Additionally, newcomer High Plains Cannabis offers a broader assortment of cannabinoids and plant compounds, reaching additional market segments.

Nextleaf's commitment to rapid innovation, and speed-to-market advantage is guided by their team's unique depth of industry experience, complimented by their Health Canada Research License allowing for unique sensory evaluation of cannabis via human trials, and rapid prototyping. The Company has been issued 19 U.S. patents, and 75+ patents globally, on cannabinoid processing including extraction, distillation, and acetylation, making them the most innovative cannabis refinery worldwide.

On April 20, 2026, the Company announced that it had been granted a Health Canada Micro-Processing Licence for its second site of operations, Nextleaf Distribution. The issuance of this licence marks a key milestone in the Company's capex-light expansion strategy strengthening its position as a pure-play extraction and global processing platform delivering scalable, capital efficient, profitable growth.

As part of the Company's compensation and retention strategy, Nextleaf will issue 166,667 common shares at a price per share $0.06 for aggregate proceeds of $10,000. This is to align employee interests with long-term shareholder value.

On April 30, 2026, the Company held its 2026 annual general and special meeting of shareholders. All business proposed at the meeting was approved by the shareholders.
